BATTLE FOR CAPITAL OF SYRIA HEIGHTENS IN VIOLENCE

Italy Freezes U. S. Funds as Germany Plans Early Action

BRITISH CLAIM FOUR-MILE ADVANCE IN THE SEIGE FOR DAMASCUS

By the Associated Press

British troops storming toward ancient Damascus, capital of Syria, claimed a 4-mile advance today amid reports that fighting was becoming heavier on all fronts in the 10-day old invasion of France's Middle East colonies.

While the London press clamored for a swift cleanup of the campaign, British dispatches said imperial troops were attacking the town of Aatourz, six miles south of Damascus, after yesterday's capture of the Madani, 10 miles south of the capital.

The French under General Henri Dentz, commander-in-chief of the Levant states, reported they were continuing to take the offensive in the Kisseou sector, 10 miles south of the city. The British said that the main bastion of Damascus has already fallen.

The British acknowledged, however, that French resistance was stiffening, reinforced by troops moved from northern Syria.

President Roosevelt's order padlocking all German consulates in the United States and demanding the ouster of various Nazi agents created a distinctly tense atmosphere in Berlin.

In Rome, Italy's fire-brand editor, Virginio Gayda, who often speaks for Premier Mussolini, declared that President Roosevelt's economic and financial strictures against the Axis constituted "an open declaration of economic war against the Axis powers" which may lead to actual war.

On the North African front, where the British opened a counter-offensive on Sunday, the Germans asserted that 100 British armored units have been destroyed in violent clashes in the desert around the Egyptian frontier post of Salum.

DNE, official German news agency, said the situation was developing favorably to Axis forces.

Premier Mussolini's high command declared the conflict had resulted in considerable losses to the British in men and tanks.

NAZIS CONCENTRATING IN WESTERN NORWAY

London, June 17.—(P)—Persister reports reaching Norwegian circles in London today indicated German was concentrating "large numbers" of troops on the Norwegian west coast—a possible springboard for invasion of Scotland.

The Norwegians said that in the past few days numerous troop trains carrying armor and material had passed through Oslo on the way to west coast bases.

British reports pictured the fight as continuing with unabated fury, with British mechanized units striking at Axis communication lines in swift flanking thrusts. These reports said the lightning British drive which knifed 40 miles into Libya was localized "for the moment," but that operations were developing.

Meanwhile, a British exchange telegraph dispatch from Helsinki, Finland, said reports of Russian troop mobilization were causing "anxiety" throughout Finland and Scandinavia.

Simultaneously, the British re-

HARRIS APPROVED AS CONSUMERS' COUNSEL

Washington, June 17.—(P)—Dr. Luther HARR, Philadelphia city treasurer, was named today as consumers' counsel despite an assertion by Sen. Davis (R-Pa.) that HARR could not legally hold a municipal and a federal job concurrently.

Davis did not force a roll call vote or attempt otherwise to block HARR's nomination when it was brought up for the second time yesterday. His request for a quorum call on the matter a week ago, delayed consideration.

Dr. HARR receives \$14,000 as city and school district treasurer and will draw \$10,000 a year as consumers' counsel. Pennsylvania's Republican government would appoint his successor in the city treasurer's office if he resigned.

U. S. War Clerk Found Slain

REDUCTIONS LISTED

Harrisburg, June 17.—(P)—Governor James today authorized the outlay of \$178,000,000 for ordinary expenses of Pennsylvania's government in the next two years and his signature on the general appropriation bill automatically ended a "payless" week for 18,000 state employees.

James waited in his office until late last night to sign the measure after it was approved by Speaker Elmer J. Kilroy and Samuel S. Lewis, president of the senate.

Before approving it, the governor slashed the \$188,000,000 total by approximately \$9,248,259.

Since June 1, the start of the biennium, the commonwealth had operated without a general fund, and thus was unable to meet the June 15 payroll on Capitol Hill. Fiscal authorities said the paychecks, however, could now go out, most of them by nightfall and the remainder tomorrow.

As originally introduced by the administration, the general appropriation totalled \$175,000,000. The Democrats controlling the rouse increased it to \$188,000,000. Governor James in a personal plea to the Republican senate urged it to pass the bill "even in this tangled form" because the commonwealth "needed cash immediately" and promised he would make a number of reductions when it reached him. The reductions were:

Auditor general from \$1,629,759 to \$1,203,500; state treasurer from \$914,000 to \$539,500 (both Democratic offices); soil conservation board from \$57,000 to \$10,000; Department of Agriculture for Combating Cattle Diseases, from \$3,000,000 to \$1,400,000; Department of Welfare, from \$22,850,000 to \$17,000,000.

In addition, James refused entirely to approve the \$150,000 appropriation for the joint state government commission, research body for the legislature, now controlled by the Democrats. He said legislation now was pending contemplating "fundamental changes in the powers and setup of the commission; consideration of any appropriation should in my judgment await determination of this legislation."

Disposal of the general appropriation bill still left the legislature with the problem of approval. (Turn to Page Nine)

ORDER CLOSING CONSULATES IS WELL RECEIVED

Decision, Coming on Heels Of Freezing Decree, Interpreted as Forerunner Of Intensive Drive Against Subversive Groups

SOME APPREHENSIVE

Washington, June 17.—(P)—The State Department order for the closing of all German consulates in the United States by July 10 drew many expressions of surprise and approval today, but Senator McCarran (D-Nev.) called it a step toward severing diplomatic relations.

"I am sorry that such an order was made," McCarran told reporters, explaining that he feared the action might push the nations closer to war.

"Of course, if we are going to be forced into war, it was essential. But so far as propaganda activities are concerned, it would be well if the State Department had ordered a cessation by Soviet Russia."

Undersecretary of State Welles, however, denied that any diplomatic rupture was implied and pointed out that the action did not affect the German embassy here.

The order yesterday was directed specifically at German consulates and other agencies, such as the German Library of Information, the German Tourist Bureau and the Nazi Transoceanic News Service, which were accused of activities "harmful to the welfare of the United States."

BODY LEFT IN GARAGE

Washington, June 17.—(P)—Detectives searched through one of the capital's best residential sections today for the clothes that a young War Department stenographer wore Sunday before she was waylaid, raped and strangled.

Police counted on the finding of the clothes to give them a valuable lead in the mystery surrounding the death of 23-year-old Jessie E. Strieff, of Des Moines, Ia., whose nude body was found yesterday, sprawled in the garage of a retired professor, near fashionable du Pont Circle.

All evidence indicated that the crime had been committed elsewhere and that the girl's body was thrust into the garage for temporary concealment. Abrasions on her back and legs led authorities to believe that she had been dragged for some distance.

Miss Strieff, an aviation enthusiast with a private pilot's license, left her apartment to go to a nearby delicatessen store just as a storm was coming up.

CHIEF OFFICER PRAISED FOR THRILLING RESCUE

BULLETIN

Washington, June 17.—(P)—Summer Welles, undersecretary of state, said today the government's basic charge against Germany for the sinking of the American merchant ship Robin Moor were unchanged by the arrival of the missing survivors at Cape Town yesterday. Welles said that with the evidence already available from 11 survivors and a cable summary expected on the testimony of those at Cape Town, South Africa, the government very soon would be in a position to reach a final decision on the action to be taken.

Williams, third secretary of the United States embassy at Rio de Janeiro, arrived here by plane today with detailed eyewitness accounts of the torpedoing of the Robin Moor and pictures taken of her destruction by survivors.

Williams carried the depositions made by the ten members of the crew and the one passenger who reached Recife, Brazil, last week after being rescued at sea by the Brazilian steamer Ozorio. A summary of their accounts was cabled to the State Department last Thursday, forming the basis of the charge by Undersecretary of State Welles that the 5,000-ton American merchantman had been sunk deliberately by a Nazi u-boat in violation of international law and a submarine warfare compact to which Germany was a signatory.

The state department had deferred preparation of a strong dip-

Pickets Surround Gates at Factory in Lock Haven And Allow Only Office Employees and Engineering Staff to Enter

DEMANDS DISCUSSED

Lock Haven, June 17.—(P)—Pickets surrounded gates of the strike-bound Piper Aircraft Corporation plant today and allowed only office employees and engineering staff to enter.

A group of pickets formed at the entrance to the plant at the hour set for changing the shifts after President W. T. Piper announced the plant would be reopened for all employees "who want to work."

A meeting of union workers was called to discuss the machinists strike which AFL Organizer Victor S. Gauthier declared was unauthorized.

The plant employees about 1,300 persons in the production of planes used in government training of the civilian pilots. The company turns out 350 to 400 light planes a month. It has no defense contracts.

Piper estimated two-thirds of the day shift of 500 workers walked out yesterday after a strike call by the Lock Haven local of the International Association of Machinists on a demand for wage boosts. More workers struck as pickets appeared and the management closed down the plant.

The union, which won a National Labor Relations Board election at the plant last month, called the

Fayette County Democrat Says He Will "Cooperate" With Special Investigating Committee Set Up After Original Charges

REMARKS ARE STUDIED

Harrisburg, June 17.—(P)—Senator Anthony J. Cavalcante, expanding his charges of a "criminal conspiracy" in the legislature, named six Democratic leaders as part of a "combine to rig, control and interfere with the orderly passage of legislation."

Cavalcante's second direct attack on the Democratic leadership was made on the Senate floor yesterday and he concluded it by saying his remarks there contained "all the information" he had on the subject.

The Fayette county Democrat said he would "cooperate" with a special investigating committee set up after his original charges were made in the senate June 5. Chairman George B. Stevenson (R-Clint.) said the committee would "study" the senator's remarks before deciding what to do.

"We may have a meeting sometime after Wednesday and we'll probably invite Senator Cavalcante for further consultation," Stevenson said.

Cavalcante made his first charges on a "conspiracy" in connection with the passage of a bill allowing heavier trucks on the highways. He declared "certain groups" "put beside on the barrelhead" for Democrats.

Then the senator declared he would "name names and circumstances." In his final summation, he listed:

Italian Individuals and Firms are Ordered to Report All American Credits Against Them Within Twenty Days, as Authoritative Fascist Editor Declares American Measures Constitute "An Open Declaration of Economic War"

SUM INVOLVED HERE OVER SEVEN BILLIONS

Rome, June 17.—(P)—The Italian government, freezing American credits in Italy, today blocked all payments from Italy on private debts to Americans under a decree published in the official gazette in reprisal for the freezing of Italian credits in the United States.

The decree ordered Italian individuals and firms to report all American credits against them within 20 days.

Earlier Virginio Gayda, authoritative Fascist editor declared that the United States' economic and financial measures against Italians and Germans constituted "an open declaration of economic war against the Axis powers" which might lead to actual war.

Persons in Italy were forbidden to make debt payments or transfer securities to Americans, but Italians residing in the United States and Americans residing in Italy were exempted from this provision.

The American measures "define themselves," Gayda said in Il Giornale D'Italia, "as a new and important step in the march of American bellicosity along the chosen road to war."

Berlin, June 17.—(P)—Germany announced officially today that she will take "the necessary measures" effective immediately to counter United States action in freezing German funds in America. Year of Continual Exposure to Bombs and Shells Finds Dover Taking Things Calmly

BY W. T. YARBROUGH
Dover, Delaware, June 17.—(P)—In the year since the collapse of France, a year of continual exposure to bombs and shells—there has been a gradual change in this coastal city from tense excitement to calm.

The powerful air of "Hell's Corps" is astonishing and Dover is so battered as London. A handful of birdshot from a large-scale map would give an approximate idea of how things have been hit.

At said sirens cause no excitement and Dover takes a certain amount of pride in the fact that it has had more alarms than any other community. When British fighters may on their way toward the French coast, the people look up like spectators at an air show.

In the past 12 months of watching, waiting and arming against invasion, the people have learned to take it easy. Invasion talk is common in London, but here it has to be primed. "What's the use of talking about it?" the town clerk said. "If it comes, it'll be a bit unpleasant—if it doesn't, it won't."

It was a lot different last June. Then the people were tense and expectant. Now the streets are busy with ordinary traffic of plain people,

The Fayette county Democrat said he would "cooperate" with a special investigating committee set up after his original charges were made in the senate June 5. Chairman George B. Stevenson (R-Conn.) said the committee would "study" the senator's remarks before deciding what to do.

"We may have a meeting sometime after Wednesday and we'll probably invite Senator Cavalcante for further consultation," Stevenson said.

Cavalcante made his first charges about a "conspiracy" in connection with the passage of a bill allowing heavier trucks on the highways. He declared "certain groups" "put a hood on the barrelhead" for Democrats.

Then the senator declared he would "name names and circumstances." In his final summation, he listed:

David L. Lawrence, Democratic national committeeman; James P.

State Labor Mediator Declares Employees of Plymouth, Briggs, Ford and Dodge Truck Companies May Be Made Idle

SHIPYARDS STILL DOWN

By the Associated Press

A jurisdictional strike at a Detroit auto parts factory today threatened enforced layoffs for 40,000 workers in automobile plants which depend upon the struck factory for parts.

A Michigan state labor mediator declared that employees of Plymouth, Briggs, Ford and Dodge truck plants might be made idle unless there was a speedy settlement of the walkout of CIO United Automobile Workers at the Douglas and Lomason Company. The UAW-AFL has a union shop agreement with the firm, and has contended that the rival CIO union has tried to raid its membership.

This UAW-CIO denied, describing the walkout as a "spontaneous vacation period."

While other strikers continued in important defense industries, CIO

W. P. A. PLANNING TO DROP 25,000 BY FIRST OF JULY

Harrisburg, June 17.—(P)—

Expecting orders to drop 25,000 WPA workers on July 1, State Administrator Philip Mathews today called a conference of his five district directors for Wednesday to determine where the cut would be made.

Mathews said the reduction, due to a lower WPA appropriation pending in congress, would cut Pennsylvania's quota of project workers to 68,000. The peak was 288,000 in December, 1938.

Mathews said the district directors, their engineers, and the officials in charge of women's activities, would go over the entire situation and determine where the reduction, including the administration staff, could best be made. Mathews' staff has just completed

DECREE IS PUBLISHED IN ROME

Italian Individuals and Firms are Ordered to Report All American Credits Against Them Within Twenty Days, as Authoritative Fascist Editor Declares American Measures Constitute "An Open Declaration of Economic War"

SUM INVOLVED HERE OVER SEVEN BILLIONS

Rome, June 17.—(P)—The Italian government, freezing American credits in Italy, today blocked all payments from Italy on private debts to Americans under a decree published in the official gazette in reprisal for the freezing of Italian credits in the United States.

The decree ordered Italian individuals and firms to report all American credits against them within 20 days.

Earlier Virginio Gayda, authoritative Fascist editor declared that the United States' economic and financial measures against Italians and Germans constituted "an open declaration of economic war against the Axis powers" which might lead to actual war.

Persons in Italy were forbidden to make debt payments or transfer securities to Americans, but Italians residing in the United States and Americans residing in Italy were exempted from this provision.

The American measures "define themselves," Gayda said in Il Giornale d'Italia, "as a new and important step in the march of American bellicosity along the chosen road to war."

Berlin, June 17.—(P)—Germany announced officially today that she will take "the necessary measures" effective immediately to counter United States action in freezing German funds in America.

"The government of the United States of America," the announcement said, "by executive order of the president dated June 14, blocked assets of German subjects in the United States. Accordingly, by order of the German government, necessary measures, effective immediately, will be carried out with reference to the assets of subjects

LOCAL ELKS TO COOPERATE IN U. S. O. PROGRAM

Harry J. Christensen, exalted ruler, announced today that Warren Lodge, No. 223, B. P. O. Elks, is giving the fullest measure of cooperation to the campaign of the United Service Organizations in the effort to raise \$10,765,000 for use in the operation of 339 recreational clubs in the areas of army camps and naval stations.

In discussing the program, Mr. Christensen stated that the Elks recognized the importance of maintaining proper morale among the young men now in the service and that recreational club houses of the character contemplated would provide wholesome surroundings where they can meet their relatives and friends, write letters and enjoy the comforts and conveniences which are so essential to them when on leave.

"We recently received a letter from James R. Nicholson, chairman of the Elks National Defense Commission, calling our attention to the importance of this activity and urging every subordinate lodge and its individual members to cooperate to the fullest extent in assisting the United Service Organizations campaign in this community," Mr. Christensen said.

In his letter, Mr. Nicholson pointed out the ability of the Elks to render a real service in this connection by referring to their activity in the last World War in which the Elks raised over one million dollars for financial help to soldiers; built the first two base hospitals in France and constructed and presented to the United States government the first receiving hospital in the country as well as helping 30,000 honorably discharged soldiers to reach their homes at the close of the war.

The three main causes of overheating of a motor are grease on the cylinder block, carbon in the cylinders and dirt in the cooling system.

The most common of all causes of hard steering is underinflation of the front tires.

LOCAL ELKS TO COOPERATE IN U. S. O. PROGRAM

Harry J. Christensen, exalted ruler, announced today that Warren Lodge, No. 223, B. P. O. Elks, is giving the fullest measure of cooperation to the campaign of the United Service Organizations in the effort to raise \$10,765,000 for use in the operation of 339 recreational clubs in the areas of army camps and naval stations.

In discussing the program, Mr. Christensen stated that the Elks recognized the importance of maintaining proper morale among the young men now in the service and that recreational club houses of the character contemplated would provide wholesome surroundings where they can meet their relatives and friends in write letters and enjoy the comforts and conveniences which are so essential to them when on leave.

"We recently received a letter from James R. Nicholson, chairman of the Elks National Defense Commission, calling our attention to the importance of this activity and urging every subordinate lodge and its individual members to cooperate to the fullest extent in assisting the United Service Organizations campaign in this community," Mr. Christensen said.

In his letter, Mr. Nicholson pointed out the ability of the Elks to render a real service in this connection by referring to their activity in the last World War in which the Elks raised over one million dollars for financial help to soldiers; built the first two base hospitals in France and constructed and presented to the United States government the first receiving hospital in the country as well as helping 30,000 honorably discharged soldiers to reach their homes at the close of the war.

The three main causes of overheating of a motor are grease on the cylinder head, carbon in the cylinders and dirt in the cooling system.

The most common of all causes of hard steering is underinflation of the front tires.

GIRL RESERVES ENJOY CAMP IN SPITE OF RAIN

Disagreeable weather and threatening skies have failed to mar the fun of Warren Girl Reserves who opened camp Sunday at Camp Newatah on Lake Chautauqua. The director is Miss Florence S. Armstrong, local Girl Reserve secretary of the Y. W. C. A.

On Thursday of this week, members of the Mothers' Club are planning to visit camp and those who expect to remain for dinner are asked to notify the local office no later than this evening.

Next Sunday is visitors' day for parents and friends and a good sized gathering is anticipated.

Camp continues until June 25 and the following girls are now in camp:

Marjorie Nelson, Louise Koschey, Lois Johnson, Neva Dove, Elizabeth Larson, Martha Schwartz, Barbara Pooley, Rose Driscoll, Anne Check, Betty Leafstrom, Mary Cardamone, Joan Jacobson, Marilyn Samuelson, Carol Kirberger, Nancy Wickstrom, Marian Endress, B. HARNESS TRAINER DIES

Boston, June 17.—(P)—Harry Brusie, 68, trainer and driver whose harness racing contests with Walter Cox and the late "Pop" Myers once thrilled crowds around the Grand Circuit, died yesterday in City Hospital.

A trainer of running horses in recent years, Brusie and his son, Lyman, had a string of horses at Suffolk Downs race track. His home was in Windsor Locks, Conn.

POLICE CHIEF DIES

Bridgeville, June 17.—(P)—William J. Flood, veteran chief of police of this Allegheny county community, died yesterday. He headed the force here from 1915 to 1928 and again from 1934 until his death. Funeral services will be held Wednesday.

Wife Got FAT— No Longer Attractive LOST HUSBAND'S LOVE

The above headlines appeared in a New York newspaper in connection with a divorce trial that had attracted wide attention: "She was a beautiful woman" one witness testified, "but she got fat and is not attractive any more."

Thousands of women are getting fat and losing their appeal just because they do not know what to do. If you are fat, how would you like to lose some of it and at the same time gain in physical charm and attractiveness—more energy—greater activity?

Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take 1/2 teaspoonful of Kruschen Salts (a famous English formula) in a glass of hot water every morning before breakfast and keep it up for thirty days. Cut out pastries and fatty meats and get light on white bread, potatoes, butter and cream. Then weigh yourself and see how many pounds you have lost.

A bottle of Kruschen Salts will last you for 4 weeks and costs but little. Ask any druggist for a bottle of Kruschen, plain or new effervescent—sparkling—pleasant—and start today to lose fat. Satisfaction guaranteed or money back.

Shrunken Human Head Shown

Shown is Captain David Barnett, explorer, soldier of fortune and collector of trophies from the earth's remotest parts. The object held is a shrunken human head obtained from the wild Jivaro Indian tribes in the vast, almost impenetrable Ecuadorian jungles of South America. This specimen shown here will be among the many wonders and oddities exhibited at the big whale show in Warren Monday, June 23, on a specially constructed railroad car that will be parked on the siding in Fourth avenue and Chestnut street. Featuring also a 68-ton whale, the exhibition will be continuous from noon until 11 p. m. and all children 12 years old and under will be admitted free with adults.

Sugar Grove

Sugar Grove, June 13.—The June social meeting of the Tiv Company class of the Presbyterian church was held at the manse, Tuesday night. CONCENTRATION CAMPS URGED BY LOCAL SENATOR

Dr. LeRoy E. Chapman, state senator for Warren and Venango counties, has suggested "concentration camps" for labor leaders "who in their struggle for power halt the march of our army and the sailing of our navy".

The veteran Warren Republican, in an address before the Senate in Harrisburg yesterday, declared he felt "that too long have we coddled the trouble monger who is undoubtedly paid by funds from abroad for stopping the onward march of our industry".

Senator Chapman has been giving a series of addresses on national defense subjects before the upper house of the state legislature.

Many Enrolled for Vacation Classes At Calvary Baptist

At the close of the first week of vacation Bible school at the Calvary Baptist church, a total of 113 is reported, this number representing 14 local Sunday schools. Of these, 77 did not attend any vacation Bible school last year. The record attendance for a single day was 106 for last Friday.

While a few scholars could come only for the first week, several new ones enrolled yesterday for the second week, so that attendance is still over 100.

Preparations are now being made for the closing "demonstration" service on Friday evening at seven o'clock, when handwork and projects will be on display before and after the meeting. Parents and friends are extended a cordial welcome to stop in and see how interesting and worth while the school really is.

A picnic will be held on Thursday at the close of morning classes. Pupils are reminded to bring their own picnic lunch and table service and that free lemonade will be provided by the school.

All championship tournaments have a tournament director in charge, who also acts as referee. The National Laws Commission drafts the rules of the game, but they must be interpreted by the tournament director.

Russell J. Baldwin of Cleveland is the tournament manager of the American Contract Bridge League and is in charge of its staff of directors. With the millions of combinations of hands it is difficult for the laws commission to prepare rules for every situation, and the tournament directors are often confronted with baffling problems.

You will note on the fifth round of bidding on today's hand North made an insufficient bid for five hearts. North and South were using the Blackwood convention in accordance with which North's five diamond bid showed one ace. When South bid five no trump, asking for the number of kings in North's hand, the correct response would have been six hearts—down two, doubled.

When the insufficient bid was made, Baldwin was called to the table and explained that North must make a sufficient bid and that in any event, South would have to pass. Now North had to try to decide upon the correct contract and bid six clubs. West protested at once and asked for a neutral score, but Baldwin correctly ruled that the hand should be played out before he gave a decision.

North and South easily made six.

HARNESS TRAINER DIES
Boston, June 17—(P)—Harry Brusie, 68, trainer and driver whose harness racing contests with Walter Cox and the late "Pop" Geers once thrilled crowds around the Grand Circuit, died yesterday in City Hospital.

A trainer of running horses in recent years, Brusie and his son, Lyman, had a string of horses at Suffolk Downs race track. His home was in Windsor Locks, Conn.

POLICE CHIEF DIES
Bridgeville, June 17—(P)—William J. Flood, veteran chief of police of this Allegheny county community, died yesterday. He headed the force here from 1915 to 1928 and again from 1934 until his death. Funeral services will be held Wednesday.

Wife Got FAT—
No Longer Attractive
LOST HUSBAND'S LOVE

The above headlines appeared in a New York newspaper in connection with a divorce trial that had attracted wide attention: "She was a beautiful woman" one witness testified, "but she got fat and is not attractive any more."

Thousands of women are getting fat and losing their appeal just because they do not know what to do. If you are fat, how would you like to lose some of it and at the same time gain in physical charm and attractiveness—more energy—greater activity?

Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take 1/2 teaspoonful of Kruschen Salts (a famous English formula) in a glass of hot water every morning before breakfast and keep up for thirty days. Cut out pastries and fatty meats and get light on white bread, potatoes, butter and cream. Then weigh yourself and see how many pounds you have lost.

A bottle of Kruschen Salts will last you for 4 weeks and costs but little. Ask any druggist for a bottle of Kruschen, plain or new effervescent—sparkling—pleasant—and start today to lose fat. Satisfaction guaranteed or money back.

Shrunken Human Head Shown

Shown is Captain David Barnett, explorer, soldier of fortune and collector of trophies from the earth's remotest parts. The object held is a shrunken human head obtained from the wild Jivaro Indian tribes in the vast, almost impenetrable Ecuadorian jungles of South America. This specimen shown here will be among the many wonders and oddities exhibited at the big whale show in Warren Monday, June 23, on a specially constructed railroad car that will be parked on the siding in Fourth avenue and Chestnut street. Featuring also a 68-ton whale, the exhibition will be continuous from noon until 11 p. m. and all children 12 years old and under will be admitted free with adults.

CONCENTRATION CAMPS URGED BY LOCAL SENATOR

Dr. LeRoy E. Chapman, state senator for Warren and Venango counties, has suggested "concentration camps" for labor leaders "who in their struggle for power halt the march of our army and the sailing of our navy".

The veteran Warren Republi-can, in an address before the Sen-ate in Harrisburg yesterday, de-clared he felt "that too long have we coddled the trouble monger who is undoubtedly paid by funds from abroad for stopping the on-ward march of our industry".

Senator Chapman has been giv-ing a series of addresses on na-tional defense subjects before the upper house of the state legisla-ture.

Many Enrolled for Vacation Classes At Calvary Baptist

At the close of the first week of vacation Bible school at the Calvary Baptist church, a total of 113 is reported, this number rep-resenting 14 local Sunday schools. Of these, 77 did not attend any vacation Bible school last year. The record attendance for a single day was 106 for last Friday.

While a few scholars could come only for the first week, several new ones enrolled yesterday for the second week, so that attend-ance is still over 100.

Preparations are now being made for the closing "demonstra-tion" service on Friday evening at seven o'clock, when handwork and projects will be on display be-fore and after the meeting. Par-ents and friends are extended a cordial welcome to stop in and see how interesting and worth while the school really is.

A picnic will be held on Thurs-day at the close of morning classes. Pupils are reminded to bring their own picnic lunch and table service and that free lemon-ade will be provided by the school.

All championship tournaments have a tournament director in charge, who also acts as referee. The National Laws Commission drafts the rules of the game, but they must be interpreted by the tournament director.

Russell J. Baldwin of Cleveland is the tournament manager of the American Contract Bridge League and is in charge of its staff of directors. With the millions of combinations of hands, it is difficult for the laws commission to prepare rules for every situation, and the tournament directors are often confronted with baffling problems.

You will note on the fifth round of bidding on today's hand, North made an insufficient bid for five hearts. North and South were using the Blackwood convention, in accordance with which North's five diamond bid showed one ace. When South bid five no trump, asking for the number of kings in North's hand, the correct response would have been six hearts to show two kings.

THE PINCH IS COMING
The crack salesman shrugged ruefully. "Yep! It's
going to be a little tough. You see, I'm in the butter
business!"

Knowing that he was in the electrical equipment
business, his hearers all pricked up their ears. Then it
dawned.

"Guns or butter?"
And we all remembered that his branch of the busi-
ness was household appliances. Butter! Now the guns
come first.

We are rapidly approaching the point where the
shoe is going to pinch a little. It worries a few people.
Not others. So many of the others have been learning
for 10 years to get along without things.

A friend bought an electric refrigerator the other
day. With it came a most polite and apologetic ex-
planation of the lack of aluminum trays. The substi-
tute trays were really quite satisfactory, it assured.
They seemed to be, too. So what? It's possible that if
necessary one could even get along without any ice
cubes at all.

Suppose it should be true that in certain parts of the
east it should be necessary to cut down a little on gaso-
line consumption. Probably some sort of rationing
system would cause less hardship than cutting off all
traffic on Sunday. But suppose that came? Europe,
all of it, has had gasoline rationing for years. How long
since you've walked a mile, anyway?

Suppose the old car must be driven a year longer, or
the washing machine made to do for another year?
Suppose cigarettes cost a few cents more and the price of
whisky rises steeply. Suppose shaving cream comes in a
glass jar instead of a tin tube, and anchovy paste can
scarcely be had at all? Suppose taxes rise, and one is
asked to give to the United Service Organizations and
to buy Defense Bonds?

Technically, some of these things may be called a
reduction in the standard of living. Compare it with
what is going on in Europe, according to a private letter
from the U. S. diplomat there: "In Europe one cannot
speak of reduction in the standard of living. There is
no standard of living. One gets what one can, and
makes it do."

It is to prevent such a situation that we are asked
to make little sacrifices now. Except for the men called
for army service, real sacrifice has at yet been asked of
nobody.

We should be ashamed to speak of the little changes
and small inconveniences proposed thus far as

EDSON'S WASHINGTON COLUMN

BY PETER EDSON
Times-Mirror Washington Cor-
respondent

Washington, June 17.—An ex-Missouri Methodist minister, ex-college president, ex-Farm Security administrator who in the last war had the job of trying to instill a little knowledge of reading and writing into illiterate draftees and who in the complex defense effort today

He is Dr. Will W. Alexander, round-faced, blue-eyed and pleasant, and his title now is director of minority groups section in the Labor Division of the Office of Production Management.

If that title doesn't mean much to you, consider a few of Dr. Alexander's past problems:

In northeastern United States are thousands of second and third generation Italians, native-born citizens whose parents or grand-parents came from Italy. For some reason, defense industries have been a little skittish on hiring people of Italian descent though Germans are generally accepted without question.

The Los Angeles area which carried the heaviest relief load in the country during the depression, is bringing in thousands of youngsters from the plains states, yet it still has 150,000 unemployed Negroes.

American-born mechanics of Japanese ancestry live because the west coast fishing fleet has been immobilized, can't get jobs in defense industries through bearded Russian ship fitters are considered highly valuable to the shipyards.

Four million aliens, including more than 200,000 refugees from Germany, have been occupying many of the jobs which skilled find it hard to get because they're foreign born.

And so on. Well you say, what of it? Let the furriners go job-

less or go back where they came from!

But it isn't as easy as that. At least four million new workers have to be fit into defense production in the next 18 months. Most of them must have skilled trades. To keep men with special skills idle is just as silly as keeping machines idle. Hence the special assignment given the minority groups section to see that there is no manpower going to waste.

Tied up with this minority labor problem is the problem of defense industry migration of labor, keeping men on the job near home, and this migration problem has almost eclipsed the minorities issue.

Take the case of a northern contractor building Camp Lee, near Petersburg, Va. He raided the labor markets for far north as New Jersey, even though there were many unemployed Negro carpenters in the southern states. Virginia newspapers and the state chamber of commerce got after that one and fixed it quickly.

West coast aircraft plants have come into Philadelphia and from a hotel room employment office taken out many skilled laborers though Philadelphia is going to need 70,000 skilled workers.

Sixty-five per cent of the relief load in Connecticut has been the Americans of Italian descent referred to above, yet Connecticut has an in-migration of labor, some of it none too skilled, looking for jobs in the aircraft and machine industries.

Tenant farmers from all over are leaving the land in what is termed a "perceptible drift" to seek the mythical five-dollar-a-day jobs in town, creating a housing shortage adding to the relief load, contributing to their own unemployment.

Estimates now are that some 350,000 workers with special skills will have to be moved, in spite of all the sub-contracting. (Turn to Page Five)

STORIES IN STAMPS

Stamp Honors "Founder" Of Italian Language

ITALY'S greatest poet, Alighieri Dante, is honored on this 1938 stamp, issued in observance of the 10th anniversary of the proclamation of the empire. It was this proclamation that was responsible for binding the Italian government and the Fascist party into a single unit.

Dante, who was born in 1265, was responsible more than any other scholar for developing the modern Italian language. Before Dante wrote the "Divine Comedy," the Italian language was a crude form of expression, of no value to the scholar. Classical works were written in Latin. Even Dante began the "Divine Comedy," most celebrated of all his works, in Latin. But he realized the potentialities of the Italian language and decided instead to create the language which is in use today.

The "Divine Comedy" is one of the purest examples of poetry. Probably no other single work gave rise to so much subsequent literature. The long poem is a classical description of heaven, hell and purgatory.

Dante died, virtually in exile from his native Florence, in 1321.

A Washington Daybook

By JACK STINNETT

WASHINGTON—The capital here and there:

Maj. Gen. Robert C. Richardson, the cavalry man who has been called in to head the army's public relations division, has developed a system of kneeling his troubles away.

The General has a lot to do—his hours and duties would make a lazy man pull the covers

right over his head. But one of his worst duties is greeting job-seekers (or their mothers and fathers and uncles and brothers) who think public relations is a soft and undangerous berth in which to go through a national emergency—and crackpots, both sincere and selfish, who want to sell the army some great scheme for selling the army to the nation.

As usual, these people are as long-winded as an auctioneer. They cannot often be slowed down, hurried up, or turned from the path they have taken.

Maybe it was thinking in such terms that gave the former general of cavalry his idea. Maybe he remembered what a little knee-pressure did to a horse.

At any rate, if you're a pest and the General lolls back in his chair, raises his arms behind his head and ever so inconspicuously slides his left knee to the drawer wall of his desk—you might as well pick up your hat and beat a retreat. What the General's knee strikes is a little button that sets off a buzzer in the outer office. Almost before it has buzzed its last there will be an aide informing the General that other matters demand his attention.

If you think this a little bit unfair, run over the pests you would like to give the knee so gracefully.

The President carries his patriotism right into the swimming pool. Hanging on the hook of his dressing room door in the White House pool are blue trunks, white tops—and angling across the latter the small red letters: "F. D. R."

Paydays in Washington have been as traditional as Christmas, Easter and July 4. They come on the first and fifteenth of the month, but "national defense" is wrecking that. Staggered paydays are starting—with government employees in many departments hereafter being paid on the eighth and twenty-third of the month. . . . and the likelihood that within a few months paydays will be so staggered that some government employees will be getting paid every day. If you think that won't make a difference in Washington, you don't know your capital. Merchants have been keeping their sales; bartenders and restaurateurs, their stocks; and taxi drivers, their hours on the street, to government paydays for years. With everyday a government payday, how's a man going to figure?

The 2nd Armored Division at Fort Benning, Ga., has been given the designation "Hell on Wheels."

THE PINCH IS COMING

The crack salesman shrugged ruefully. "Yep! It's
going to be a little tough. You see, I'm in the butter
business!"

Knowing that he was in the electrical equipment
business, his hearers all pricked up their ears. Then it
dawned.

"Guns or butter?"

And we all remembered that his branch of the busi-

• EDSON'S WASHINGTON COLUMN

BY PETER EDSON
Times-Mirror Washington Cor-

Washington June 17.—An ex-
Missouri Methodist minister, ex-
college president, ex-Farm Security
administrator who in the last
war had the job of trying to in-
still a little knowledge of readin'
and writin' into illiterate draftees
of 30 army camps, has one of the
strangest of all the varied assign-
ments in the complex defense ef-
fort today.

He is Dr. Will W. Alexander,
round-faced, blue-eyed and pleas-
ant, and his title now is director
of minority groups section in the
Labor Division of the Office of
Production Management.

If that title doesn't mean much
to you, consider a few of Dr. Alex-
ander's pet problems:

In northeastern United States
are thousands of second and third
generation Italians, native-born
citizens whose parents or grand-
parents came from Italy. For some
reason, defense industries have
been a little skittish on hiring peo-
ple of Italian descent, though Ger-
mans are generally accepted with-
out question.

The Los Angeles area, which
carried the heaviest relief load in
the country during the depression,
is bringing in thousands of young
sters from the plains states, yet it
still has 150,000 unemployed Negroes.

American-born mechanics of
Japanese ancestry, idle because the
west coast fishing fleet has been
immobilized, can't get jobs in de-
fense industries through bearded
Russian ship fitters are considered
highly valuable in the shipyards.
Four million aliens, including
more than 200,000 refugees from
territory Hitler has occupied,
many of them highly skilled, find it
hard to get jobs because they're
foreign born.

And so on. Well, you say, what
of it? Let the furriners go job-

less or go back where they came
from!

But it isn't as easy as that. At
least four million new workers
have to be fit into defense pro-
duction in the next 18 months. Most
of them must have skilled trades.
To keep men with special skills idle
is just as silly as keeping machines
idle. Hence the special assign-
ment given the minority groups
section to see that there is no man-
power going to waste.

Tied up with this minority labor
problem is the problem of defense
industry migration of labor, keep-
ing men on the job near home, and
this migration problem has almost
eclipsed the minorities issue.

Take the case of a northern con-
tractor building Camp Lee, near
Petersburg, Va. He raided the la-
bor markets as far north as New
Jersey, even though there were
many unemployed Negro carpenters
in the southern states. Vir-
ginia newspapers and the state
chamber of commerce got after
that one and fixed it quickly.

West coast aircraft plants have
come into Philadelphia and from a
hotel room employment office
taken out many skilled laborers
though Philadelphia is going to
need 70,000 skilled workers.

Sixty-five per cent of the relief
load in Connecticut has been the
Americans of Italian descent re-
ferred to above, yet Connecticut
has an in-migration of labor, some
of it none too skilled, looking for
jobs in the aircraft and machine
industries.

Tenant farmers from all over
are leaving the land in what is
termed a "perceptible drift" to
seek the mythical ten-dollar-a-week
jobs in town, creating a housing
shortage, adding to the relief load,
contributing to their own unrest.

Best estimates now are that
some 350,000 workers with special
skills will have to be moved, in
spite of all the sub-contracting

Stamp Honors "Founder" Of Italian Language

ITALY'S greatest poet, Alighieri
Dante, is honored on this 1938
stamp, issued in observance of
the 10th anniversary of the pro-
clamation of the empire. It was
this proclamation that was re-
sponsible for binding the Italian
government and the Fascist party
into a single unit.

Dante, who was born in 1265,
was responsible more than any
other scholar for developing the
modern Italian language. Before
Dante wrote the "Divine Comedy,"
the Italian language was a crude
form of expression, of no value to
the scholar. Classical works were
written in Latin. Even Dante be-
gan the "Divine Comedy," most
celebrated of all his works, in
Latin. But he realized the poten-
tialities of the Italian language
and decided instead to create the
language which is in use today.

The "Divine Comedy" is one of
the purest examples of poetry.
Probably no other single work
gave rise to so much subsequent
literature. The long poem is a
classical description of heaven,
hell and purgatory.

Dante died, virtually in exile
from his native Florence, in 1321.

Same Names
Distant relationship between
President Roosevelt and Senator
Taft of Ohio has been established
by a genealogist, yet the names of
these two political opponents aren't
the same. Here are some well-
known persons with the same last
names, but who aren't related. Can
you identify each?

1. Connie and Helen Mack.
2. John and Tom Dewey.
3. David Lord George and
Walter F. George.
4. Pearl and Frank Buck.
5. Luther and Larry Adler.

A Washington Daybook

By JACK STINNETT

WASHINGTON—The capital here and there:
Maj. Gen. Robert C. Richardson, the cavalry man who
has been called in to head the army's public relations division,
has developed a system of kneeling his troubles away.

The General has a lot to do—his hours and duties would
make a lazy man pull the covers
right over his head. But one of
his worst duties is greeting job-
seekers (or their mothers and fa-
thers and uncles and brothers)
who think public relations is a
soft and undangerous berth in
which to go through a national
emergency—and crackpots, both
sincere and selfish, who want to
sell the army some great scheme
for selling the army to the na-
tion.

As usual, these people are as
long-winded as an auctioneer.
They cannot often be slowed
down, hurried up, or turned from
the path they have taken.

Maybe it was thinking in such
terms that gave the former gen-
eral of cavalry his idea. Maybe
he remembered what a little
knee-pressure did to a horse.

At any rate, if you're a pest
and the General looms back in his
chair, raises his arms behind his
head and ever so inconspicuously
slides his left knee to the drawer
wall of his desk—you might as
well pick up your hat and beat
a retreat. What the General's
knee strikes is a little button that
sets off a buzzer in the outer of-
fice. Almost before it has buzzed
its last there will be an aide in-
forming the General that other
matters demand his attention.
If you think this a little bit un-
fair, run over the pests you would

like to give the knee so grace-
fully.

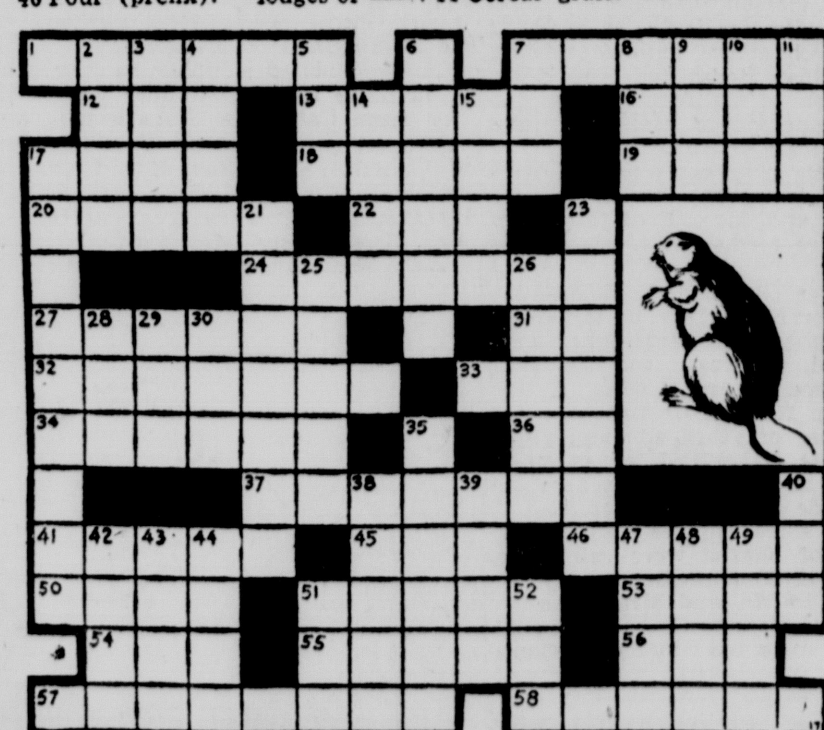

The President carries his pa-
triotism right into the swim-
ming pool. Hanging on the
hook of his dressing room door
in the White House pool are
blue trunks, white tops—and
angling across the latter the
small red letters: "F. D. R."

Paydays in Washington have
been as traditional as Christmas,
Easter and July 4. They come on
the first and fifteenth of the
month, but "national defense" is
wrecking that. Staggered pay-
days are starting—with govern-
ment employees in many de-
partments hereafter being paid
on the eighth and twenty-third of
the month... and the likelihood
that within a few months pay-
days will be so staggered that
some government employees will
be getting paid every day. If you
think that won't make a differ-
ence in Washington, you don't
know your capital. Merchants
have been keying their sales;
bartenders and restaurateurs,
their stocks; and taxi drivers,
their hours on the street, to gov-
ernment paydays for years. With
everyday a government payday,
how's a man going to figure?

COOK'S FOREST OBSERVANCE OF FLAG DAY HELD

An exceptional Flag Day observance was held at Cook's Forest on Saturday, with appropriate exercises and a colorful ceremony that was enjoyed by a crowd of between two and three hundred persons.

The celebration was arranged by the Brookville Chapter of the American Society of Daughters of the American Revolution, under the leadership of Mrs. Anthony Wayne Cook, honorary president general of the society. Waylona, her home, was the scene of the gathering.

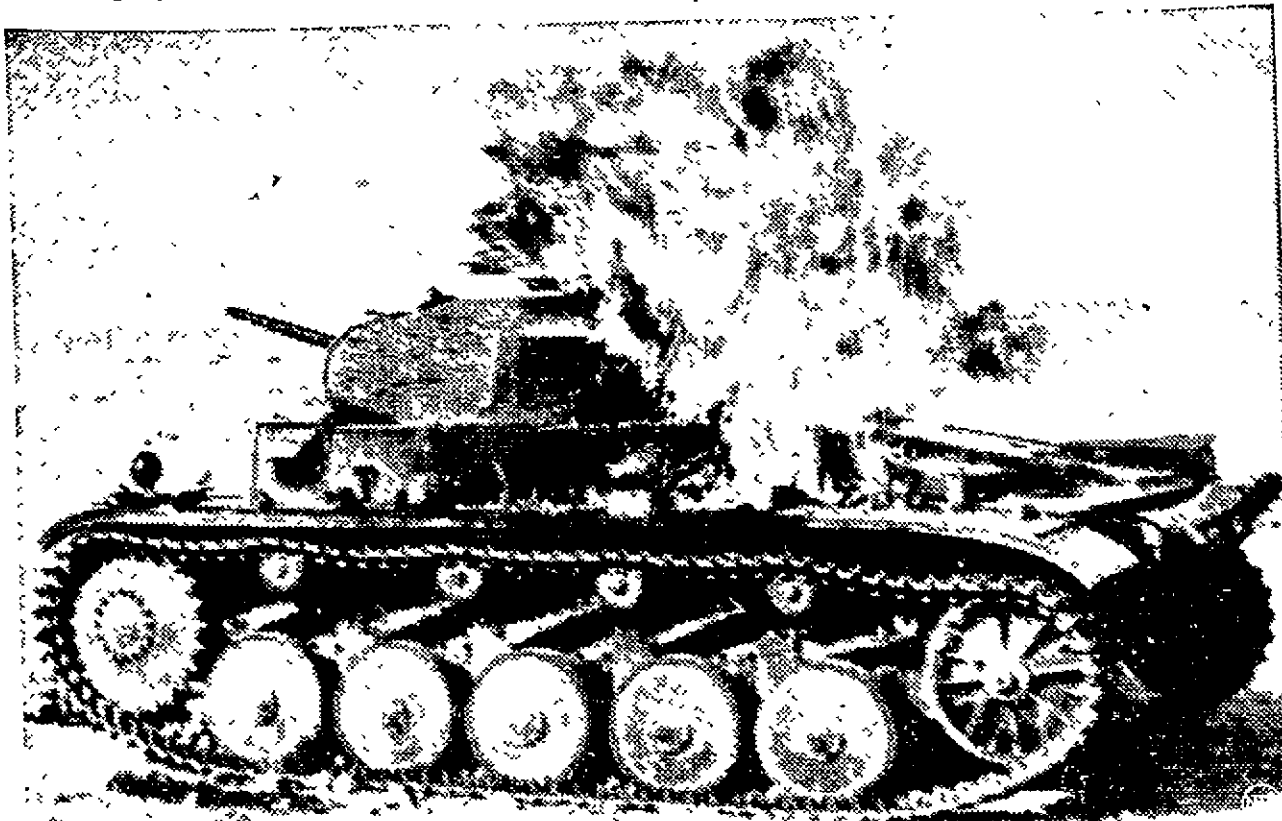

Allison D. Wade, local attorney, gave the principal address on "Americanism."

About 150 D. A. R. members represented chapters of Warren, DuBois, Tidouate and Brookville, including the following members of the Gen. Joseph Warren Chapter: Mrs. Warren R. Carlin, regent; Mrs. Olive Canfield, Mrs. Bertha Mitchell, Mrs. Glenn Smith, Mrs. Clarence Ricker, Miss Inez Brownell, Miss Ethel DeForest, Miss Laura DeForest, Mrs. A. H. Wickstrom, Mrs. W. G. Cable, Mrs. Wilson Waters, Mrs. E. B. Whitling, Mrs. Orion Higgins and Miss Olive Taylor. Warren: Mrs. Robert Mead, Mrs. H. S. Canfield, Mrs. Norma Russell and Mrs. Ida Davidson, Youngsville.

Another group of Warren members attended a Flag Day program at the Colonial Inn at Smethport on Saturday, when 100 members from Bradford, Smethport, Port Allegany and Coudersport gathered to hear the state vice regent, Mrs. H. S. Hughes, of Erie.

In this delegation were Mrs. Leon Laskaris, Mrs. Fred Lesser, Miss Harriet Eaton, Mrs. Ray Pickett and Mrs. R. Schuler, of Warren, and Miss Ann Pollock, of Eldred.

Tidouate

Tidouate, June 10—Flower Mission Day was observed by the W. C. T. U. June 10th at the home of Mrs. F. E. Kapp. The meeting was in charge of Mrs. Emma Downing. Mrs. C. P. Meikle led the devotions and Mrs. Lyde Briggs had charge of the flower program.

The W. C. T. U. prize essays were read.

The members brought flowers for distribution.

The hostesses were Mrs. F. E. Kapp, Mrs. Verne Olinger and Mrs. Mead Armstrong.

A most enjoyable concert of vocal and instrumental music and reading was presented by the choir of the Presbyterian church of Tidouate on Monday evening, June 9. The artists were Mildred Sherman, reader; Betsy Eustman, pianist; June Parker, contralto; Anna Sherman, violinist; Jennie Martin, soprano.

The faculty of the Tidouate public school held a party at the home of Mr. and Mrs. Mead Armstrong on Thursday, June 5. This was a farewell party for Miss Mildred Donaldson and Krug Cyphert, who were granted a year's leave of absence from the Tidouate school. They were presented with lovely gifts.

Mrs. Neal, of Mansfield, Pa., and her sister, of Scranton, Pa., were guests of Miss Betty Neal who accompanied them to her home in Mansfield, after completing her year's work in the Tidouate high school.

Miss Ida Higgins has returned home from a week's visit in Cleveland, Ohio, with her brother, Ralph Higgins.

Miss Winifred Olinger has arrived home for her summer vacation from Catherine Gibbs school.

Mr. and Mrs. George Fuelhart of Uniontown, Mr. and Mrs. Henry Fuelhart and daughter of Pittsburgh, were guests of relatives part of last week.

Karl Grettenger was a bus-

ness visitor in Erie Tuesday. Miss Ethel Bastress, of Mt. Carmel, spent several days last week as the guest of her sister, Miss Elizabeth Bastress. They returned to Mt. Carmel Saturday.

Two cases of scarlet fever have been reported in Tidouate.

Philip and Paul Irvine of Jamestown, called on friends in Tidouate Tuesday.

Robert Merkle, of Elkview, West Virginia, spent a few days visiting his parents, Mr. and Mrs. Karl Merkle. He left Monday and was accompanied by his mother and brothers Jack and Jimmy who will spend some time in Elkins visiting Mrs. Merkle's parents, Mr. and Mrs. Sommerville.

Emmet Clark of Indiantown Gap was a guest of Mr. and Mrs. Geo. Harris over the weekend.

Mr. and Mrs. George Nelson of Erie spent the weekend in their summer home. They had as their guests, Mr. and Mrs. Berner, of Erie.

Bernard King son of Mr. and Mrs. George King has arrived home for his summer vacation from Penn State College.

Martha and Edward Cornish left Sunday for Detroit, Mich., for a month's visit with their aunt and uncle.

Robert Kapp a student in McGill Medical School in Montreal, Canada is expected home Wednesday.

Dr. and Mrs. A. M. Kennedy were in Grove City over the weekend.

Mr. and Mrs. A. T. Evans of Erie were overnight guests of Mr. and Mrs. A. T. Kernick.

Mr. and Mrs. William Moss are spending a few days in Bradford.

Mrs. Eva Donaldson and daughter Gladys spent several days in Port Allegany visiting her sister, Mrs. A. J. Nostrom.

Miss Helen Younie of Erie was a recent visitor, at the home of Mr. and Mrs. J. P. Sage.

Mike Merkle who has been seriously ill in the Warren hospital is expected to return home some time this week.

Philip Irvine, who is health edu-

cational teacher in our public school, returned to his home in Jamestown, N. Y. on Saturday after completing his year's work.

Miss Pearl Garbrick of Bellfonte, Pa. was a guest of Mrs. Krug Cyphert last week.

Mrs. C. P. Merkle is a guest of her sister, Mrs. C. C. Uller of Tusville.

EDSON'S WASHINGTON COLUMN

(From Page Four)

That can be done. California industrial areas will need 30,000, Detroit area may need from 60,000 to 80,000. New Jersey 80,000. Fort Worth-Dallas 17,000.

United States Employment Service and the state employment agencies are trying to keep track of all labor demands and the sources of labor supply. With six million unemployed workers registered, USES is trying to get employers to anticipate their demands for labor by six months.

Shortages of skilled labor are what have set the labor division of OPM combing these minorities groups for men with any of 70 or 80 of the rarer skills. Age and sex are no longer bars. Erasing the race and color line bars is Dr. Alexander's job now.

LIGHTNING STUNS GARDNER

Pittsburgh, June 17—(P)—A bolt of lightning knocked James Cipriani, 60, of Castle Shannon, unconscious yesterday as he hoed the garden in the rear of his home. He was revived later. The lightning accompanied a heavy rain and thunderstorm which swept western Pennsylvania. Another bolt struck a step-down station of the Duquesne Light Company, damaging equipment and temporarily cutting off power to parts of the northside.

Former Warren Residents Hold Annual Reunion In California

The following communication, received from Margaret R. Hamilton in Los Angeles, Calif., will be of interest to many Times-Mirror readers:

Our Warren friends will be interested in hearing about our annual Warren county picnic again this year. It was held at Sycamore Grove as usual June 1. We had an ideal day and everybody seemed to enjoy themselves just a bit better than usual.

Seems good to know that we can meet in a quiet, peaceful way and enjoy ourselves while our foreign brethren are hiding out in bomb shelters.

Sorry to report the passing of good friend C. A. Ensworth, always a faithful attendant at our gatherings. Glad to have Mr. Crawford back again after a serious siege of illness. Also, among our recent visitors from Penna., we had Miss Margaret Albaugh and Mr. Howard Huff. We are hoping to have a new register in another year and hope to find more of the former Warrenites now located in southern California.

Following is the list of those in attendance at the picnic: Mrs. Nellie Bimber and son, Jimmy, Mr. and Mrs. A. N. Andrews, Mrs. H. N. Drake, Miss Margaret Albaugh, Mr. and Mrs. John Nolan, Miss Edith McCalmont, Howard Huff, Jim Nielson, Mrs. Bell Topper Smith, Mrs. Clara Howe, Mr. and Mrs. W. W. Bumber, Mrs. F. B. Underwood, Mr. and Mrs. J. B. Watson, Mrs. B. E. Mitchell, Mr. and Mrs. O. E. Nelson.

Mr. and Mrs. C. L. Wadsworth, J. W. Crawford, Mrs. Gertrude McGill, Mr. and Mrs. Chappell Hall, Miss Alice Huff, Mr. and Mrs. Olney, Mr. and Mrs. T. E. Mahood, Mrs. Will Rogers, Mr. and Mrs. Bert Cook, Mr. and Mrs. John Hiebel, Mr. and Mrs. Will Carlson, Mr. and Mrs. Charles Ralph.

Mr. and Mrs. Glenn Jackson, Margaret Jackson, Miss Bess Ronne, Mr. and Mrs. Andrew Nelson and John Worley.

Kindest regards to all of our Warren friends.

Cordially yours,
Margaret R. Hamilton.

COOK'S FOREST OBSERVANCE OF FLAG DAY HELD

An exceptional Flag Day observance was held at Cook's Forest on Saturday, with appropriate exercises and a colorful ceremony that was enjoyed by a crowd of between two and three hundred persons.

The celebration was arranged by the Brookville Chapter, National Society Daughters of the American Revolution, under the leadership of Mrs. Anthony Wayne Cook, honorary president general of the society. Waylona, her home, was the scene of the gathering.

Allison D. Wade, local attorney, gave the principal address on "Americanism."

About 150 D. A. R. members represented chapters of Warren, DuBois, Tidioute and Brookville, including the following members of the General Joseph Warren Chapter: Mrs. Warren R. Carlin, regent; Mrs. Olive Canfield, Mrs. Bertha Mitchell, Mrs. Glenn Smith, Mrs. Clarence Ricker, Miss Inez Brownell, Miss Ethel DeForest, Miss Laura DeForest, Mrs. A. H. Wickstrom, Mrs. W. C. Cable, Mrs. Wilson Waters, Mrs. E. B. Whitling, Mrs. Orion Siggins and Miss Olive Taylor, Warren; Mrs. Robert Mead, Mrs. H. S. Canfield, Mrs. Norma Russell and Mrs. Ida Davison, Youngsville.

Another group of Warren members attended a Flag Day program at the Colonial Inn at Smethport on Saturday, when 100 members from Bradford, Smethport, Port Allegany and Coudersport gathered to hear the state vice regent, Mrs. S. H. Higbee, of Erie.

In this delegation were Mrs. Leon Laskaris, Mrs. Fred Lesser, Miss Harriet Eaton, Mrs. Ray Pickett and Mrs. R. Schuler, of Warren, and Miss Ann Pollock, of Eldred.

LIGHTNING STUNS GARDNER

Pittsburgh, June 17—(P)—A bolt of lightning knocked James Cipriani, 60, of Castle Shannon, unconscious yesterday as he hoed the garden in the rear of his home. He was revived later. The lightning accompanied a heavy rain and thunderstorm which swept western Pennsylvania. Another bolt struck a step-down station of the Duquesne Light Company, damaging equipment and temporarily cutting off power to parts of the northside.

Former Warren Residents Hold Annual Reunion In California

The following communication, received from Margaret R. Hamilton in Los Angeles, Calif., will be of interest to many Times-Mirror readers:

Our Warren friends will be interested in hearing about our annual Warren county picnic again this year. It was held at Sycamore Grove as usual June 1. We had an ideal day and everybody seemed to enjoy themselves just a bit better than usual.

Seems good to know that we can meet in a quiet, peaceful way and enjoy ourselves while our foreign brethren are hiding out in bomb shelters.

Sorry to report the passing of good friend C. A. Ensworth, always a faithful attendant at our gatherings. Glad to have Mr. Crawford back again after a serious siege of illness. Also, among our recent visitors from Penna., we had Miss Margaret Albaugh and Mr. Howard Huff. We are hoping to have a new register in another year and hope to find more of the former Warrenites now located in southern California.

Following is the list of those in attendance at the picnic: Mrs. Nellie Bimber and son, Jimmy, Mr. and Mrs. A. N. Andrews, Mrs. H. N. Drake, Miss Margaret Albaugh, Mr. and Mrs. John Nolan, Miss Edith McCalmont, Howard Huff, Jim Nielson, Mrs. Bell Topper Smith, Mrs. Clara Howe, Mr. and Mrs. W. W. Bimber, Mrs. F. B. Underwood, Mr. and Mrs. J. B. Watson, Mrs. B. E. Mitchell, Mr. and Mrs. O. E. Nelson.

Mr. and Mrs. C. L. Wadsworth, J. W. Crawford, Mrs. Gertrude McGill, Mr. and Mrs. Chapin Hall, Miss Alice Huff, Mr. and Mrs. Olney, Mr. and Mrs. T. E. Mahood, Mrs. Will Rogers, Mr. and Mrs. Bert Cook, Mr. and Mrs. John Hibel, Mr. and Mrs. Will Carlson, Mr. and Mrs. Charles Ralph.

Mr. and Mrs. Glenn Jackson, Margaret Jackson, Miss Bess Ronne, Mr. and Mrs. Andrew Nelson and John Worley.

kindest regards to all of our Warren friends.

Cordially yours,

Margaret R. Hamilton.

Sugar Grove Couple Receives For Their Golden Anniversary

Sugar Grove June 17—Mr. and Mrs. Earl T. Abbott received 100 relatives and friends at their home Friday evening the callers coming to extend best wishes for the couple's golden wedding anniversary.

Mina Horton and Earl Abbott were united in marriage by Rev. Andrew C. Ellis, pastor of the Methodist church, at Jamestown, N. Y., on June 13 1891 and have resided in Sugar Grove all their married life. They are the parents of four children: Mrs. Earl Herspool and Mrs. Walter Olson, of Canton, O. Ray and Donald Abbott of this place. They also have six grandchildren: Barbara Herspool of Canton, Patricia Laurence, Earl Wayne, Philip and Walter Abbott of Sugar Grove.

Mr. and Mrs. Abbott enjoy fairly good health and Mr. Abbott spends most of his time at his place of business, the Red and White store which he conducts with his son Donald.

The couple received many flowers and other gifts telegrams and cards. The delightful function was arranged by the children and there were guests from Warren, Jamestown, Lakeview and Canton.

Refreshments were served from a buffet table centered with a large three-tiered wedding cake which was decorated with a golden bell and golden candles. The home was decorated with beautiful flowers among them a bouquet of 50 Talisman roses.

Rev. W. O. Brainard, a close neighbor officiated at a reaffirming of the marriage vows.

Youngsville Pastor And Wife Honored At Surprise Party

Youngsville, June 17—Rev. Samuel Stimer, pastor of the local Free Methodist church and Mrs. Stimer were honored Friday evening with a surprise gathering in remembrance of their 25th wedding anniversary.

Friends and relatives assembled in the parsonage while the Stimers were away and their return was the signal for the Wagner Bridal Chorus played at the piano by Miss Betty Horner. "Rock of Ages" was played by a group of young people. Dorothy Hendrickson, piano; Carmen Hendrickson, Helen and Betty Horner, violins. Norma Ekis, guitar.

Prayer was offered by Oscar Burghman and "Whispering Hope" was sung by members of the Mason family. The instrumental group followed with "Bells of St. Mary's" and Norma Ekis played "Sweet Hour of Prayer" as a guitar solo. A daughter of the couple read a beautiful poem, "Mother's Love," followed by "Silver Threads Among the Gold" sung by the Mason family; a reading, "Good Old Fashioned Mothers and Dads," by Ardeth Dinning; "God Hath Not Promised" piano and strings group; reading, "The Old Circuit Rider," Mrs. Ekis; "I Love You Truly," instrumental group.

With appropriate remarks, Mrs. Lyle Thayer presented a gift of silver to the Stimers from friends present. They also received a number of other gifts.

To conclude, refreshments were served.

PATTERN 4793

by ANNE ADAMS

A captivating young style to bring forth the "ohs" and the "ahs" of your public is this Anne Adams frock, Pattern 4793. It carries out the popular peasant girl mood in a full gathered skirt, tiny, banded waist and bloused bodice lines. Two useful versions of this frock are included. One is an afternoon style with short sleeves and bow-and-lace trim. The other is a sleeveless dress with a suntan back. The engagingly shaped yoke would look delightful in contrast, perhaps with the waistband to match. There's a fancy and convenient buttoning down the back. Make the perfect matching or contrasting pill-box.

Pattern 4793 is available in junior miss sizes 11, 12, 13, 14, 15, 16, 17 and 18. Size 13, dress with sleeves and cap, takes 3 1/4 yards 29 inch fabric and 2 yards lace edging; dress without sleeves, 3 3/8 yards 35 inch fabric and 1/2 yard contrast.

Sugar Grove Couple Receives For Their Golden Anniversary

Sugar Grove, June 17—Mr. and Mrs. Earl T. Abbott received 100 relatives and friends at their home Friday evening, the callers coming to extend best wishes for the couple's golden wedding anniversary.

Mina Horton and Earl Abbott were united in marriage by Rev. Andrew C. Ellis, pastor of the Methodist church, at Jamestown, N. Y., on June 13, 1891, and have resided in Sugar Grove all their married life. They are the parents of four children: Mrs. Earl Herspool and Mrs. Walter Olson, of Canton, O.; Ray and Donald Abbott, of this place. They also have six grandchildren: Barbara Herspool, of Canton, Patricia, Laurence, Earl Wayne, Philip and Walter Abbott, of Sugar Grove.

Mr. and Mrs. Abbott enjoy fairly good health, and Mr. Abbott spends most of his time at his place of business, the Red and White store, which he conducts with his son, Donald.

The couple received many flowers and other gifts, telegrams and cards. The delightful function was arranged by the children and there were guests from Warren, Jamestown, Lakewood and Canton.

Refreshments were served from a buffet table centered with a large three-tiered wedding cake, which was decorated with a golden bell, and golden candles. The home was decorated with beautiful flowers, among them a bouquet of 50 Talisman roses.

Rev. W. O. Brainard, a close neighbor, officiated at a reaffirming of the marriage vows.

Youngsville Pastor And Wife Honored At Surprise Party

Youngsville, June 17—Rev. Samuel Stimer, pastor of the local Free Methodist church, and Mrs. Stimer were honored Friday evening with a surprise gathering in remembrance of their 25th wedding anniversary.

Friends and relatives assembled in the parsonage while the Stimers were away and their return was the signal for the Wagner Bridal Chorus played at the piano by Miss Betty Horner. "Rock of Ages" was played by a group of young people, Dorothy Hendrickson, piano; Carmen Hendrickson, Helen and Betty Horner, violins; Norma Ekis, guitar.

A prayer was offered by Oscar Burman and "Whispering Hope" was sung by members of the Mason family. The instrumental group followed with "Bells of St. Mary's" and Norma Ekis played "Sweet Hour of Prayer" as a guitar solo. A daughter of the couple read a beautiful poem, "Mother's Love," followed by "Silver Threads Among the Gold" sung by the Mason family; a reading, "Good Old Fashioned Mothers and Dads," by Ardet Dinning; "God Hath Not Promised," piano and strings group; reading, "The Old Circuit Rider," Mrs. Ekis; "I Love You Truly," instrumental group.

With appropriate remarks, Mrs. Lyle Thayer presented a gift of silver to the Stimers from friends present. They also received a number of other gifts.

To conclude, refreshments were served.

Alice Hyde Becomes Bride of Erie Man

Mr. and Mrs. Clarence Hyde, of North Warren, announce the marriage of their daughter, Alice, to Melvin Bukowski, son of Mr. and Mrs. Victor Bukowski, of Erie.

The ceremony was performed on Saturday afternoon in the rectory of the Rev. Father Steinhope at Erie. Attendants were Miss Charlotte Flady, of North Warren, and Walter Christensen, of Erie.

The bride wore a powder blue chiffon, white accessories and a gardenia corsage and her maid of honor wore blue and white net with a corsage of yellow roses.

A wedding dinner and reception for the immediate families followed at the home of the bride's parents.

After a western wedding trip, the couple are to make their home in Erie.

Louis Still 2 to 1 Favorite to Retain Heavyweight Belt

Both Champion And Challenger Taking Day of Rest Today

New York, June 17.—(P)—The fight "experts," the fellows who for a living have to look at all the tussles, like Joe Louis over Billy Conn in tomorrow night's doings at the Polo Grounds, but the surprise of their voting today was that the Brown Bomber was only a 2 to 1 choice.

An Associated Press poll of the fight writers gathered for Joe's 15th defense of the heavyweight crown showed that of 33 casting ballots, 11 picked Conn and 22 rode along with the head man.

None of the regular writers went so far out on the limb as to pick Pittsburgh's pride and joy by a knockout, but Harry Markson, chief drum beater and press representative for the 20th Century Sporting Club, figured Billy would "cut Joe up and stop him in 12 rounds."

Those on the Louis bandwagon were just about unanimous in forecasting a knockout, going all the way from 2 minutes, 37 seconds of the first round, as picked by Caswell Adams of the New York Herald Tribune, to "Louis in 12," as selected by Lester Bromberg of the New York World Telegram.

A list of ballots included: Sid Feder, Associated Press—Conn by a decision on his left hook and speed.

Hayes Boyle, Pittsburgh Post-Gazette—Conn is too fast; he should win by a decision.

Jim Dawson, New York Times—Louis to beat Billy out in six.

Ed Van Every, New York Sun—Louis to win, but Conn has a real good chance.

Hype Igoe, New York Journal-American—Billy Boy is too smart and too fast.

Damon Runyon, King Features—Conn by a decision.

Bill Cunningham, Boston Herald—Louis by a knockout in six.

Gayle Talbot, Associated Press—Louis to finish it in three.

Chet Smith, Pittsburgh Press—Louis to do it by a knockout.

Murray Lewin, New York Daily Mirror—Louis by a knockout somewhere along the route.

Harry Keck, Pittsburgh Sun-Telegraph—If it goes over two rounds, Conn will murder Joe.

Dick McCann, New York Daily News—The Bomber in three.

Sam Parker, New York Daily Mirror—Conn is keyed up for a super-performance; Billy by a decision.

Regis Welch, Pittsburgh Press—Louis, early.

PAT COMISKEY WINS FIRST ROUND T.K.O.

Pittsburgh, June 17.—(P)—Babe Ritchie, towering Texas cowboy, lasted little more than two minutes last night in his scheduled second round bout with Slugging Patrick Comiskey of Paterson, N. J. Comiskey, weighing 215, was awarded a technical knockout victory over the 205-pound Lubbock, Tex., youngster in the first round after flooring his opponent three times and cutting his upper lip badly.

Johnny Dean, 175, New Castle, and Joe Rivers, 172, Pittsburgh, fought to a six round draw; Jimmy Franklin, 160, Homestead, Pa., negro, beat Bobby Berry, 163, Pittsburgh (6) and Tommy Yarosz, 153, of Monaca, younger brother of former Middleweight Champion Teddy Yarosz, stopped Marcus Lockman, 148, Pittsburgh negro, by a technical knockout in the fifth round.

BY GAYLE TALBOT

New York, June 17.—(P)—Their training completed, Brash Billy Conn and Big Joe Louis were scheduled to take things mutually easy today, merely fiddling around and resting up in preparation for tomorrow night's championship battle at the Polo Grounds.

Billy, who surrendered his 175-pound title in order to get a crack at Louis' unlimited crown, was down for a limbering-up session in one of this city's smaller gymnasiums, while the negro champion remained at the cool of his training camp at Greenwood Lake. They will weigh in tomorrow noon at the offices of the Athletic commission.

Business is booming at Promoter Mike Jacob's ticket windows, the rush having caused Mike to smile benignly and predict a crowd of 40,000 and a gate of \$400,000. The odds against Conn winning remain at 13 to 5, about where they belong.

Broadway hotels are filled with the fight crowd, and many more will pour in today and tonight from Pittsburgh on special trains and by car. The advance guard from the challenger's home town is backing Billy heavily at the odds, figuring he has a good chance of dethroning Joe by a decision in 15 rounds.

HAVE YOU CHECKED UP ON THE OTHER ANIMALS THIS MORNING, TWIGGS? I'M SURE I HEARD A SEA COW BEING STRANGLER UPSTAIRS LAST NIGHT!

WORSE THAN THAT, BOYS! BIG CHIEF THUNDER-SLEEP HAS RETURNED TO THE WIGWAM!

BOUNDERS! I WOULD RETIRE TO SOME REMOTE ISLE AND WRITE MY MEMOIRS IF I WERE NOT PERISHING FROM HUNGER! FAW! I SHALL STRIDE IN WITH THE COOL DISDAIN OF OLIVER CROMWELL REFUSING THE ENGLISH CROWN!

THAT COOL DISDAIN DOESN'T GO FOR THE PANCAKES, THOUGH

IS SOMETHING WRONG?

LOOK GIRLS... A FRIEND OF STEPHENS, OVER AT THE COLLEGE, HAS A FARM... NOT SO TERRIBLY FAR FROM HERE! HE'S TIED UP HERE IN TOWN FOR SEVERAL WEEKS, AND...

AND HE ASKED ME IF WE WOULDN'T LIKE TO GO RURAL... MOVE RIGHT OUT AND MAKE OURSELVES AT HOME! WOULDN'T THAT BE JOLLY?

OH, BOY!

6-17

BUT, BOOTS, YOU'VE ONLY JUST GOT HOME...

OH, I'D LOVE IT! COME ON, DARLING, LET'S GO!

YEAH! GEE, WHEN DO WE START?

RIGHT NOW! WE WON'T HAVE TO BOTHER WITH PACKING MANY CLOTHES

JUST ANY OLD THING WILL DO...

GEE, I'M FRESH OUT OF OVERALLS!

NEVER A DULL MOMENT!

British Claim Four-Mile Advance in the Siege For Damascus

(From Page One)
ported that "several German divisions" were now stationed in Finland.

There was still no answer, however, to the middle of German-Russian relations.

On the western front, Britain's punishing aerial counter-offensive struck for the sixth night in a row at Adolf Hitler's Reich, bombing objectives at Cologne, Duesseldorf and Duisburg and leaving "many fires burning," the London air ministry announced.

Other RAF warplanes attacked the docks at Boulogne and Dunkerque, in Nazi-held France.

The British said the nightly attacks on Germany were many times stronger than those of last August and September, with hundreds rather than scores of RAF bombers now flying each night. Unofficial estimates said the RAF dropped more than 1,000 tons of explosive bombs in three night raids on the Ruhr.

Hitler's high command acknowledged that industrial plants and rail facilities were hit by RAF bombs in several places in western Germany, and that several civilians were killed and others wounded.

Coupled with this rare admission of damage to Nazi military targets, the high command said 26 British planes were shot down in the past 24 hours. In the same period, the British reported 14 German planes destroyed.

W. P. A. Planning To Drop 25,000 By First of July

(From Page One)
dropping a total of 32,000 WPA workers, ordered on April 1.

Washington headquarters has suggested shutting down of complete projects, rather than attempting to spread the reduction over all existing projects.

"In order to reach the figure of 68,000 by the end of the first week in July," Mathews' office said in a statement, "it will be necessary to make reductions almost immediately, and it will be necessary in some counties, where the load is particularly light, to close down work completely."

State headquarters cited as counties having a "light load": Pike with 17 WPA workers, Adams, 108; Franklin, 390; Fulton, 86; Juniata, 203; Perry, 139; Cameron, 25, and Forest 38.

Washington, June 17.—(P)—John W. Pelt, the treasury department's controller for foreign funds, estimated today that some \$2,500,000,000 in cash and other assets were affected by President Roosevelt's order "freezing" the holdings of Germany, Italy and other continental European nations in the United States.

Previous freezing orders had put \$4,500,000,000 of foreign assets under his control, making the total of restricted foreign funds here approximately \$7,000,000,000. An inventory is being taken to determine the exact amount.

To ferret out reportedly large sums hidden under "dummy" names by the Axis, however, he revealed that Erwin W. former treasury attaché in Berlin, has been appointed to head a special investigating staff.

Order Closing Consulates is Well Received

(From Page One)
this country."

The decision to close the consulates, coming on the heels of Saturday's order freezing German and Italian funds here, was generally interpreted as the forerunner of an intensive government offensive against all activities likely to impair the efficiency of the defense program.

If Germany has been using its consulates and agencies for such activities, it was pointed out, the effect of the government's action is to deprive her of the personnel and unrestricted funds she has been utilizing. The funds are now under federal control and the consular and agency personnel must quit this country.

Effort is Made to Reopen Piper Aircraft Plant

(From Page One)
strike after demanding that a 35-cent an hour minimum wage be boosted in three-month periods to 55 cents at the end of a year for semi-skilled employees, and to 75 cents an hour for skilled workers.

A flat 10 per cent increase had been proposed by the corporation and Gauthier said the union had agreed at that time to withhold strike action until after federal mediators attempted to settle the wage questions. The plant's present minimum wage scale ranges from 30 cents an hour for semi-skilled labor to 50 cents for skilled.

Most of the employees are "working on a bonus system under which they can often earn anywhere up to twice the hourly rate as they become more skillful," Piper declared, adding that "any advance in wages" would increase the price of the firm's product."

British Claim Four-Mile Advance in the Seige For Damascus

(From Page One)
 ported that "several German divisions" were now stationed in Finland.

There was still no answer, however, to the riddle of German-Russian relations.

On the western front, Britain's punishing aerial counter-offensive struck for the sixth night in a row at Adolf Hitler's Reich, bombing objectives at Cologne, Duesseldorf and Duisburg and leaving "many fires burning," the London air ministry announced.

Other RAF warplanes attacked the docks at Boulogne and Dunkerque, in Nazi-held France.

The British said the nightly attacks on Germany were many times stronger than those of last August and September, with hundreds rather than scores of RAF bombers now flying each night. Unofficial estimates said the RAF dropped more than 1,000 tons of explosive bombs in three night raids on the Ruhr.

Hitler's high command acknowledged that industrial plants and rail facilities were hit by RAF bombs in several places in western Germany, and that several civilians were killed and others wounded.

Coupled with this rare admission of damage to Nazi military targets, the high command said 26 British planes were shot down in the past 24 hours. In the same period, the British reported 14 German planes destroyed.

W. P. A. Planning To Drop 25,000 By First of July
 (From Page One)
 dropping a total of 32,000 WPA workers, ordered on April 1.

Washington headquarters has suggested shutting down of complete projects, rather than attempting to spread the reduction over all existing projects.

"In order to reach the figure of 25,000 by the end of the first week in July," Mathews' office said in a statement, "it will be necessary to make reductions almost immediately, and it will be necessary in some counties, where the load is particularly light, to close down work completely."

State headquarters cited as counties having a "light load" Pike with 17 WPA workers, Adams, 108; Franklin, 390; Fulton, 86; Juniata, 203; Perry, 139; Cameron, 25, and Forest 38.

Washington, June 17.—(P)—John W. Pehle, the treasury department's controller for foreign funds, estimated today that some \$2,500,000,000 in cash and other assets were affected by President Roosevelt's order "freezing" the holdings of Germany, Italy and other continental European nations in the United States.

Previous freezing orders had put \$4,500,000,000 of foreign assets under his control, making the total of restricted foreign funds here approximately \$7,000,000,000. An inventory is being taken to determine the exact amount.

To ferret out reportedly large sums hidden under "dummy" names by the Axis, however, he revealed that Erwin May, former treasury attaché in Berlin, has been appointed to head a special investigating staff.

Order Closing Consulates is Well Received
 (From Page One)
 The decision to close the consulates, coming on the heels of Saturday's order freezing German and Italian funds here, was generally interpreted as the government's first step in a series of measures to curtail Axis activities.

Further, the government's action is to deprive her of the personnel and unrestricted funds she has been utilizing. The funds are now under federal control and the consular and agency personnel must quit this country.

Effort is Made to Reopen Piper Aircraft Plant
 (From Page One)
 strike after demanding that a 35-cent an hour minimum wage be boosted in three-month periods to 55 cents at the end of a year for semi-skilled employees, and to 75 cents an hour for skilled workers.

A flat 10 per cent increase had been proposed by the corporation and Gauthier said the union had agreed at that time to withhold strike action until after federal mediators attempted to settle the wage questions. The plant's present minimum wage scale ranges from 30 cents an hour for semi-skilled labor to 50 cents for skilled.

Most of the employees are "working on a bonus system under which they can often earn anywhere up to twice the hourly rate as they become more skillful," Piper declared, adding that "any advance in wages" would increase the price of the firm's product.

FOR SALE
EAST SIDE: Modern brick arranged for two apartments; hardwood finish, two baths, laundry, modern heating system, two-car garage, fine lot. Price \$5,000. Cannot be duplicated for less than \$12,000. A fine, safe investment.

LOOK GIRLS--A FRIEND OF STEPHEN'S, OVER AT THE COLLEGE, WAS A FARM--NOT SO TERRIBLY FAR FROM HERE! IT SEEMS HE IS TIED UP HERE IN TOWN FOR SEVERAL WEEKS, AND--

AND HE ASKED ME IF WE WOULDN'T LIKE TO GO RURAL--MOVE RIGHT OUT AND MAKE OURSELVES AT HOME--WOULDN'T THAT BE JOLLY?

OH, BOY!

6-17

BUT, BOOTS--YOU'VE ONLY JUST GOT HOME--

OH, I'D LOVE IT! COME ON, DARLING, LET'S GO!

YEAH! GEE WHIZZ! WHEN DO WE START?

RIGHT NOW! WE WON'T HAVE TO BOTHER WITH PACKING MANY CLOTHES

JUST ANY OLD THING WILL DO--

GEE, I'M FRESH OUT OF OVERALLS!

TIMES TOPICS
HURT IN ACCIDENT
Sila Scandrett, of R. D. 1, Warren, is in the Warren General Hospital with injuries received when a motorcycle which he was riding crashed into a tree at the corner of Verbeck street and Conewago avenue about 12:30 o'clock this morning. He is suffering from a cut on the nose, an injury to the right foot and facial bruises. His condition is good.

Petain Reviews Year's Regime
(From Page One)
part gone back to your homes. Undoubtedly prisoners have not yet returned, women work and suffer, food is difficult to get, taxes irritate you and your children don't always have enough to eat, but France lives on—her bridges and her factories are being rebuilt.

"You are suffering and you will suffer for a long time because we have not finished paying for all our mistakes," Petain added.

British Claim Four-Mile Advance in the Siege For Damascus

ported that "several German divisions" were now stationed in Finland.

There was still no answer, however, to the riddle of German-Russian relations.

On the western front, Britain's punishing aerial counter-offensive struck for the sixth night in a row at Adolf Hitler's Reich, bombing objectives at Cologne, Duesseldorf and Duisburg and leaving "many fires burning," the London air ministry announced.

Other RAF warplanes attacked the docks at Boulogne and Dunkerque, in Nazi-held France.

The British said the nightly attacks on Germany were many times stronger than those of last August and September, with hundreds rather than scores of RAF bombers now flying each night. Unofficial estimates said the RAF dropped more than 1,000 tons of explosive bombs in three night raids on the Ruhr.

Hitler's high command acknowledged that industrial plants and rail facilities were hit by RAF bombs in several places in western Germany, and that several civilians were killed and others wounded.

Coupled with this rare admission of damage to Nazi military targets, the high command said 26 British planes were shot down in the past 24 hours. In the same period, the British reported 14 German planes destroyed.

Washington headquarters has suggested shutting down of complete projects, rather than attempting to spread the reduction over all existing projects.

"In order to reach the figure of 68,000 by the end of the first week in July," Mathews' office said in a statement, "it will be necessary to make reductions almost immediately, and it will be necessary in some counties, where the load is particularly light, to close down work completely."

State headquarters cited as counties having a "light load," Pike with 17 WPA workers, Adams, 108; Franklin, 390; Fulton, 58; Juniata, 203; Perry, 139; Cameron, 25, and Forest 38.

The decision to close the consulates, coming on the heels of Saturday's order freezing German and Italian funds here, was generally interpreted as the forerunner of an intensive government offensive against all activities likely to impair the efficiency of the defense program.

If Germany has been using its consulates and agencies for such activities, it was pointed out, the effect of the government's action is to deprive her of the personnel and unrestricted funds she has been utilizing. The funds are now under federal control and the consular and agency personnel must quit this country.

A flat 10 per cent increase had been proposed by the corporation and Gauthier said the union had agreed at that time to withhold strike action until after federal mediators attempted to settle the wage questions. The plant's present minimum wage scale ranges from 30 cents an hour for semi-skilled labor to 50 cents for skilled.

Most of the employees are "working on a bonus system under which they can often earn anywhere up to twice the hourly rate as they become more skillful," Piper declared, adding that "any advance in wages" would increase the price of the firm's product."

Bethlehem Congregational Church
Opens Celebration of Anniversary

The current week is one of much happiness for members and friends of the Bethlehem Congregational church, since it marks the 50th anniversary of the parish and Sunday school and a series of ten special services will commemorate the years between and the efforts of laymen and ministers.

In 1888, the Middle East Conference of Mission Churches arranged for rental of a hall on Liberty street, where services were conducted by itinerant ministers and conference missionary. In 1899, the conference sent Rev. Dullner to Warren and meetings were held in a hall on Second avenue until the next year, when another change was made to the Good Templar Hall. During this time, Rev. G. Staaf, of Scandinavia, visited here as often as possible.

In the spring of 1891, Rev. A. J. Dahlgren was called to take charge of the work at Warren and Sheffield and, on June 23 a group met at the home of Swan Pearson, 116 Water street, formally organizing the church with the following members: William Lundell, Amanda Lundell, Carl Bobegg, Christina Bobegg, Swan Pearson, Ida Pearson, A. G. Hoagvall and Ebba Carlson. New members added that fall were John Williams, Gustava Williams, Erick Olson, Alma Olson, Axel Turner and Mathilda Turner, bringing the membership to 14 at the close of the first year. Church records show that the Sunday school has been in existence as long as the church, enrollment in the fall of 1891 standing at 20.

In 1892, a call was extended to Pastor B. O. Johnson, who served for six months. The next year, D. Marcus, ministerial student, served for a few months with Missionary A. Carlson preaching to the group for a time.

A. J. Dahlgren was called for a second time in 1894, beginning the longer and more regular pastorates. The place of meeting was again changed, this time to the Waters block on Liberty street, and again to the P. H. C. hall on Second avenue. In 1898 it was changed again, to the church on Market street which had been recently vacated by the First Presbyterian congregation. In 1900 this property was purchased and has been its constant home.

In 1899 Pastor Frank Nelson was called. During his ministry 69 united, funds were subscribed for purchase of the church property, aid was secured from the Congregational body toward the pastor's salary together with a donation and loan toward the purchase of the church building. Thus was formed a union between this church and the Congregationalists which has continued to the present.

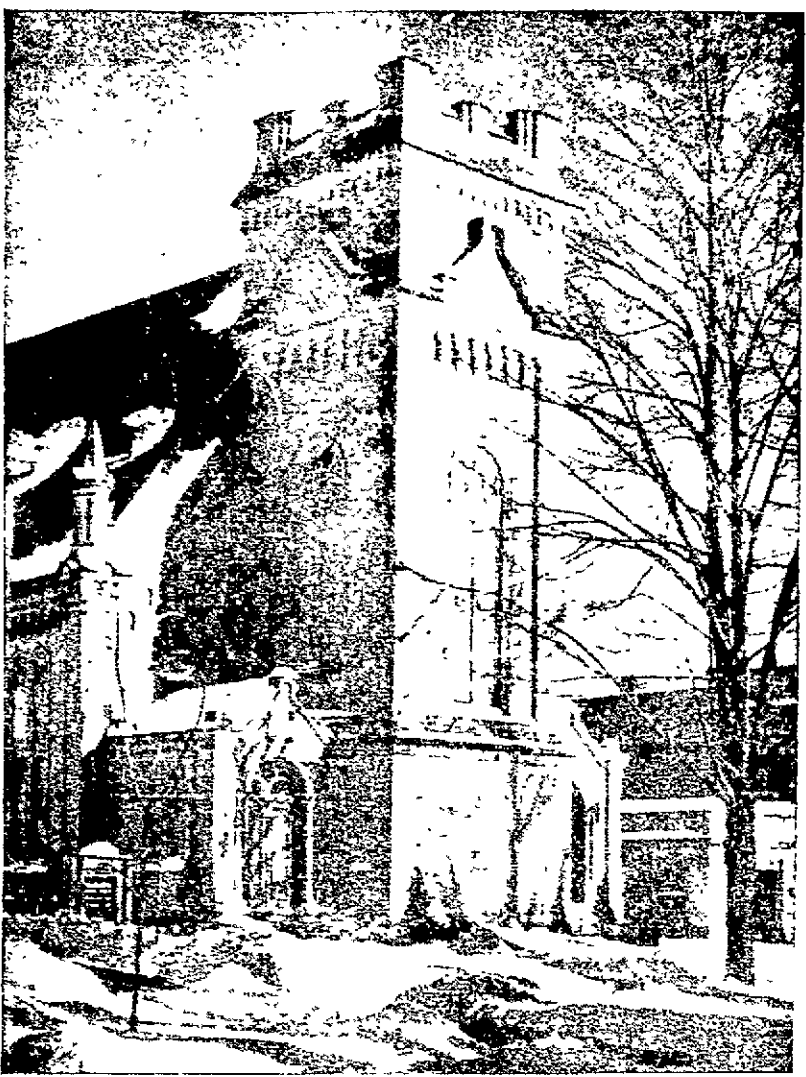

When a successor to Pastor Nelson was to be called, J. A. Isaacson of Pigeon Cove, Mass., was named, his pastorate lasting from 1906 to 1912. Succeeding him was N. J. Wessel under whose ministry the church building was repaired and many members secured.

In 1913 a property was purchased on Jefferson avenue to serve as the home of the ministers. In 1918, Pastor Wessel resigned and A. G. Eklund of Tusaville was called, arriving in September. During this period church property was repaired and a new financial system inaugurated. The 30th anniversary was celebrated in 1921 previous to Rev. Eklund's departure for South Chicago.

J. H. Lundgren of Rochester, N. Y. arrived to take up his duties in November of that year. New benches, pulpit furniture and carpets were installed, new members added and a period of activity for the church and its organizations was experienced. In 1928 his ministry terminated when he went to Iron Mountain, Mich. While Rev. and Mrs. Lundgren were on a visit to Sweden, the pulpit was supplied by Rev. E. E. Westlund, Carl H. Peterson of Cook, Minn., was called Rev. A. Alm, formerly of Lane serving as interim pastor. In 1934 Rev. Peterson resigned to take up his duties at San Jose, Calif.

In June, 1935, the present pastor Rev. John C. Bengtson, arrived from Winnetka, Ill. In the six years he has been active in every phase of religious betterment of the community, working for daily vacation bible schools, educational projects and taking a prominent part in the work of the Warren County Ministerial Association.

LUTHERANS SET
FOR PICNIC AT
WILDCAT PARK

Members of Lutheran churches throughout this district are again reminded of and invited to the all-Lutheran picnic to be held at Wildcat Park at Ludlow on Saturday of this week.

Large numbers from various synods of this territory have attended the past two years to enjoy the gatherings and it is anticipated that a new record will be reached this year.

The program will be confined to the afternoon, when Rev. Bertil Edquist, new pastor at St. Paul's Lutheran church here, will address the group from the grandstand at 2:30 o'clock. The choir of St. John's Lutheran church in Johnsbury will sing at this time, also. Sports events will follow the meeting, with contests and awards for all ages and a baseball game will be played by teams representing the Augustana Synod and the Pittsburgh Synod.

The picnic supper will be enjoyed at 5:30 o'clock, with free coffee furnished all who bring their own containers to the dining pavilion.

Other events for those desiring them will be tennis and swimming, since park facilities are provided for both.

ANNUAL LEGION
AND AUXILIARY
PICNIC PLANNED

Plans are complete for the annual basket picnic of the Chief Complanter Post, American Legion, and the Legion Auxiliary, to be held at Oakview Park tomorrow.

There will be games in the afternoon for the children. In the evening there will be softball, quoits and other games for the Legionnaires.

Dancing will be enjoyed from 9 until 2.

The thirteen dinner will be served at 6:30 o'clock. The committee has requested everyone to bring their own dishes, silver, rolls and a tureen. The Auxiliary will furnish dessert, coffee, cream and sugar.

FOOD RETAILERS
ENJOY MEETING

A very enthusiastic meeting of the Warren Retail Food Merchants Association was held last evening in the sales room of the Warren Baking Company, with a large attendance of merchants.

The Wednesday afternoon closing was discussed and all the merchants expressed gratitude to the people of Warren for their cooperation in making possible the half holiday each week. Practically every food store, including chain stores, now closes on Wednesday afternoon.

A very fine luncheon was served following the meeting through the courtesy of Nels Anderson, of the bakery.

The next meeting of the group will be held on the second Monday in July.

OBITUARY

MRS. ANNA F. NELSON
The funeral of Mrs. Anna F. Nelson, widow of Charles W. Nelson, was held at 2:30 o'clock yesterday afternoon at the Lutz Funeral Home conducted by Rev. Harold C. MRS. GERTRUDE YOUNG
Mrs. Gertrude F. Young, 26, wife of Lawrence Young, died at Erie Sunday.

She was a daughter of Mr. and Mrs. Fred Ochs and was born at Lucinda on July 21, 1914. She married Mr. Young of Endeavor on November 30, 1934, at Westfield, N. Y.

Besides her husband she is survived by the following brothers and sisters: Elizabeth Martin, Charles, of Lucinda; Mrs. Bernard Gatesman, Mrs. Andrew Pfendler, and Mrs. T. L. Wolbert, Lucinda, and Mrs. Joseph Parker, Warren, Ohio.

Funeral services will be conducted at the home of Mrs. Emma Young at Endeavor at 2 p. m. Wednesday, with Rev. C. L. Hays officiating. Interment will be in East Hickory cemetery.

ISAAC B. STRONG
Relatives here have received word that Isaac B. Strong, who has resided in Louisville, Ky., for the past 20 years, passed away there on Friday, June 6, in his 87th year. He was the last surviving child of Roswell and Harriet Strong, pioneers of Kinzua, and leaves a number of relatives in Warren county.

He is survived by his wife, Mary C. Strong, and one son, George C. Strong; also three grandchildren and one great-grandchild.

Funeral services were held on Saturday, June 7, with interment in Evergreen cemetery at Louisville.

CHRISTIAN LAUFFENBURGER
Word has been received here of the death of Christian Lauffenburger, former local resident, which occurred Monday at Alliance, Ohio. Mr. Lauffenburger was 80 years old. For many years he was employed at the Warren State Hospital, North Warren. He is survived by his wife and four daughters. Funeral services will be held tomorrow with burial in New Baltimore, Ohio.

Training Period For Guardsmen at Gap
Reduced From 44 to 40 Hours Per Week

BY DONALD ST. JOHN
Indiantown, Gap, June 17.—(P.)—Pennsylvania's federalized guardsmen in training here are getting a new deal in the form of a 40-hour instead of 44-hour week.

Under a new plan in effect during the second 13-week training period just begun, soldiers get Wednesday as well as Saturday afternoon off.

It's partly due to the season and to the more flexible training schedule upon which the soldiers are embarking but it's also for the sake of morale.

From some of the men, for instance, has come the grumble: "See the regulars get Wednesday afternoon off, but we have to work."

Getting the same hours as the 500-odd regular enlisted men on this 15,000-acre post is just another indication that the guards-

men are reaching man's estate. "They needed every hour we could give them right after induction," one officer said, "but now they've gotten the school of the soldier down pretty well and have passed the student stage."

Division officers had a chance today to see just how much of the 13-week basic course the men had absorbed.

In the second session of a two-day training inspection, all elements of the division were put through a series of tests before Major General Edward Martin, post commander, and a team of staff officers.

Tests put on today ranged from close and extended order drill through wire servicing, coding, decoding, defense against chemical attack, mounted messenger service, military courtesy and radio procedure to interior guard duty and tent pitching.

"Youth and Jobs" Important Item in Daily
Work of Local State Employment Service

"Youth and Jobs" are among the most important items in the daily work of the Warren office of the Pennsylvania State Employment Service, according to David W. Levine, local employment manager, who said:

"Fully realizing the gap between classes and jobs as a hazardous one, the Pennsylvania State employment office works closely with nearby high schools and colleges and has made arrangements for the registration of all graduates between the ages of 16 and 24 who are seeking employment. Trained interviewers, knowing these young people have character, desires, temperaments, and attitudes shaped by an academic environment, are well able to put their finger on the particular person's outstanding ability, his aptitude and adaptability to suit certain crafts or trades. With the national defense program well under way there is a demand for apprentices in the aircraft, shipbuilding, automotive, electrical, chemical and ammunition trades, and the state employment offices are empowered to select and advise prospective candidates of the right procedure," states Mr. Levine.

Mr. Levine asserted, "young people find it difficult to secure a job. They flood the labor market—untrained and unskilled. Many have never contacted the state employment service, and thousands have only the vaguest idea of what they want to do, the kind of work for which they are best fitted, and the type of work available."

Youth is yearning to follow the example of the engineer who must deal with materials and the laws

of nature as they exist if he is to make a workable machine or construct a bridge that will stand or a house that will not fall," Mr. Levine said.

ANNUAL WARREN
DAY ANNOUNCED
FOR JUNE 22ND

Next Sunday, June 22nd, will be the 10th annual Warren Day at Celoron Park.

This day is arranged each year for the pleasure of all persons in Warren and vicinity by the Times-Mirror and according to reports from the park management, it will be one of the happiest of all gala days—just crammed full of excitement all afternoon and night.

Celoron Park has been completely revamped this spring and promises many pleasant surprises for those who attend the big Warren Day outing next Sunday.

Warrentes planning to visit Celoron Park on Sunday are invited to take advantage of the "cut price ticket" coupon appearing daily at this week in the Times-Mirror.

This coupon will permit readers of the Times-Mirror to purchase ride and amusement tickets at an unusually low rate. So start clipping the coupons today.

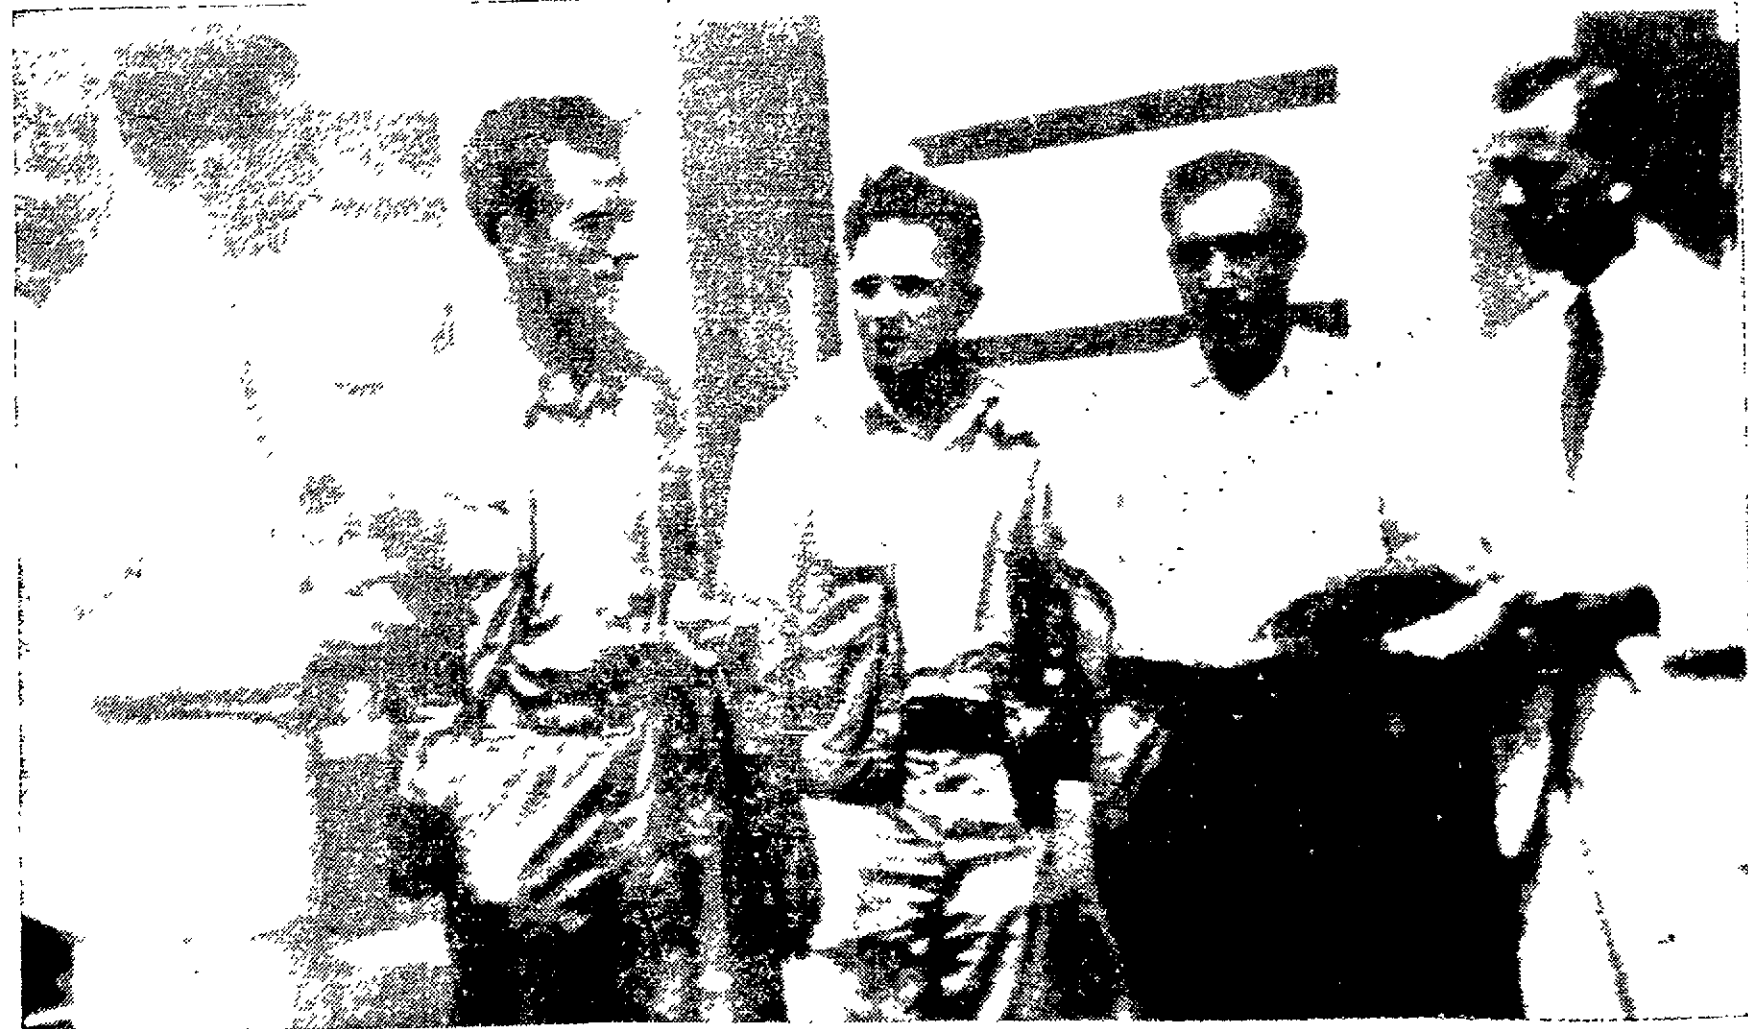

These tickets will be accepted, and save you real money, in Skateland, western New York's most beautiful roller rink.

An exceptionally fine floor show has been booked for Warren Day. There will be a matinee at 3:00, with the evening show and dancing starting at 8:30.

Each year several family reunions are held in connection with Warren Day at Celoron Park and for the convenience of these people, the park management has arranged to reserve tables in the picnic grove. This same service will be offered this year and persons wishing to reserve tables should call the Celoron Park office.

Texas, with 15,737, has more service stations than any other state.

Freckles Dance Song
Placed on the Air

Times-Mirror readers who have been following the popular comic strip "Freckles and His Friends," especially during the past few weeks since "the crowd" has been working on plans for the big dance should be interested to learn that the song which is playing such an important part in the current continuity has been put on the air by Dick Jurgens, who is making a guest appearance in the strip and is playing for June Wayman's sorority "hop."

It was played last night for the first time from Catina Island, and according to present plans Jurgens will play it each night for two weeks, beginning last evening.

Jurgens' schedule calls for a nightly broadcast for the Pacific Coast, taking in stations from the Canadian to the Mexican borders. On Tuesday and Thursday nights he is to broadcast on a transcontinental hookup from 8:30 to 8:55 Pacific Coast time.

Since 1938 the average maximum speed of American-built bombing airplanes has increased 71 miles per hour. Average maximum size has almost doubled.

Brokenstraw Flying
School Ramblings

In spite of rainy weather, we had a very busy day at the Brokenstraw Airport Sunday.

Morris Shulman, of Warren completed his course of instruction and made his solo flight Sunday afternoon.

Al Vilardo, of Sugar Grove, and Woodrow Wilson, of Youngsville, both made their first flights alone last week.

Al took his complete course in the 65 Lycoming Cub and soloed this ship. Most of the students learn in the 50 H. P. Franklin and graduate to the 65.

There are a number of other students who have their time about in and expect to make their solo flights this week.

New students are starting instruction right along, so we are glad to put these solo pilots on their own.

John Frontera is building up his time rapidly and although he learned in and soloed the 50 Franklin he now prefers the 65 and flies that all the time. Johnny made his cross-country flight to Barnes and Jamestown and one to Cory and Oil City.

John Manelch is building up time for a private pilot's license. Bob McKinney flies every day and it will not be long until he will be eligible for a commercial license. Louis Raub, who soloed here last fall, already has his instructor's rating.

We will meet you all at Brokenstraw.

IDLE WORKERS GET JOBS

New Castle, June 17.—(P.)—About 1,000 workers trooped back to the Shenango plant of the Carnegie-Illinois Steel Corporation Monday, resuming operations of 20 hot mills which have been closed down since December, 1939. The mills, reopened to help handle heavy defense orders, will operate with three shifts a day.

Bethlehem Congregational Church Opens Celebration of Anniversary

The current week is one of much happiness for members and friends of the Bethlehem Congregational church, since it marks the 50th anniversary of the parish and Sunday school and a series of ten special services will commemorate the years between and the efforts of laymen and ministers.

In 1888, the Middle East Conference of Mission Churches arranged for rental of a hall on Liberty street, where services were conducted by itinerant ministers and conference missionary. In 1899, the conference sent Rev. Dillner to Warren and meetings were held in a hall on Second avenue until the next year, when another change was made to the Good Templar Hall. During this time, Rev. G. Staaf, of Scandia, visited here as often as possible.

In the spring of 1891, Rev. A. J. Dahlgren was called to take charge of the work at Warren and Sheffield, and on June 23, a group met at the home of Swan Pearson, 116 Water street, formally organizing the church with the following members: William Lindell, Amanda Lindell, Carl Boberg, Christina Boberg, Swan Pearson, Ida Pearson, A. G. Hoagvall and Ebba Carlsson. New members added that fall were John Williams, Gustava Williams, Erick Olson, Alma Olson, Axel Turner and Mathilda Turner, bringing the membership to 14 at the close of the first year. Church records show that the Sunday school has been in existence as long as the church, enrollment in the fall of 1891 standing at 20.

In 1892, a call was extended to Pastor B. O. Johnson, who served for six months. The next year, D. Marcellus, ministerial student, served for a few months, with Missionary A. C. Carlson preaching to the group for a time.

A. J. Dahlgren was called for a second time in 1894, beginning the longer and more regular pastorate. The place of meeting was again changed, this time to the Waters block on Liberty street, and again to the P. H. C. hall on Second avenue. In 1898 it was changed again, to the church on Market street which had been recently vacated by the First Presbyterian congregation. In 1900 this property was

purchased and has been its constant home.

In 1899 Pastor Frank Nelson was called. During his ministry 69 united, funds were subscribed for purchase of the church property, aid was secured from the Congregational body toward the pastor's salary together with a donation and loan toward the purchase of the church building. Thus was formed a union between this church and the Congregationalists which has continued to the present.

When a successor to Pastor Nelson was to be called, J. A. Isaacson, of Pigeon Cove, Mass., was named, his pastorate lasting from 1906 to 1912. Succeeding him was N. J. Wessel, under whose ministry the church building was repaired and many members secured.

In 1913 a property was purchased on Jefferson avenue to serve as the home of the ministers. In 1918, Pastor Wessel resigned and A. G. Eklund, of Titusville, was called, arriving in September. During this period church property was repaired and a new financial system inaugurated. The 30th anniversary was celebrated in 1921 previous to Rev. Eklund's departure for South Chicago.

J. H. Lundgren, of Rochester, N. Y., arrived to take up his duties in November of that year. New benches, pulpit furniture and carpets were installed, new members added and a period of activity for the church and its organizations was experienced. In 1928 his ministry terminated when he went to Iron Mountain, Mich. While Rev. and Mrs. Lundgren were on a visit to Sweden, the pulpit was supplied by Rev. E. E. Westlund, Carl H. Peterson, of Cook, Minn., was called, Rev. A. Alm, formerly of Lansse, serving as interim pastor. In 1934 Rev. Peterson resigned to take up his duties at San Jose, Calif.

In June, 1935, the present pastor, Rev. John C. Bengtson, arrived from Winnetka, Ill. In the six years he has been active in every phase of religious betterment of the community, working for daily vacation bible schools, educational projects and taking a prominent part in the work of the Warren County Ministerial Association.

LOOKING BACK OVER THE YEARS

BY PAUL BRAUNSCHWEIGER of The Mullen Drug Co.

Think back across a century which has produced anesthesia, powerful and protective serums, the curative miracles of X-ray and radium. Reflect on the marvelous advance made by medical science in defeating diabetes, syphilis, anemias and other ailments. The laboratory has given mankind these cures and defenses against disease and medical men have been quick to avail themselves of the weapons offered by science.

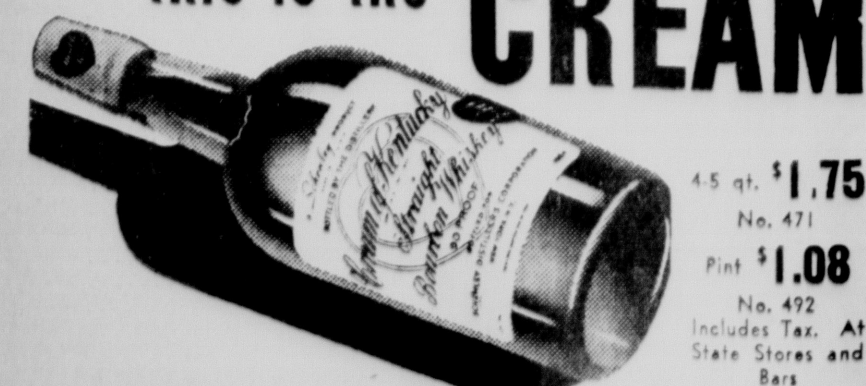

The advance of a century, all the skill of science is yours to command through the simple process of going to see the doctor.

The druggist, too, has kept abreast of his time and is able to offer you the finest service in history.

LUTHERANS SET FOR PICNIC AT WILDCAT PARK

Members of Lutheran churches throughout this district are again reminded of and invited to the all-Lutheran picnic to be held at Wildcat Park at Ludlow on Saturday of this week.

Large numbers from various synods of this territory have attended the past two years to enjoy the gatherings and it is anticipated that a new record will be reached this year.

The program will be confined to the afternoon, when Rev. Bertil Edquist, new pastor at St. Paul's Lutheran church here, will address the group from the grandstand at 2:30 o'clock. The choir of St. John's Lutheran church in Johnsbury will sing at this time, also. Sports events will follow the meeting, with contests and awards for all ages and a baseball game will be played by teams representing the Augustana Synod and the Pittsburgh Synod.

The picnic supper will be enjoyed at 5:30 o'clock, with free coffee furnished all who bring their own containers to the dining pavilion.

Other events for those desiring them will be tennis and swimming, since park facilities are provided for both.

ANNUAL LEGION AND AUXILIARY PICNIC PLANNED

Plans are complete for the annual basket picnic of the Chief Complanter Post, American Legion, and the Legion Auxiliary, to be held at Oakview Park tomorrow.

There will be games in the afternoon for the children. In the evening there will be softball, quilts and other games for the Legionnaires.

Dancing will be enjoyed from 9 until 2.

The tureen dinner will be served at 6:30 o'clock. The committee has requested everyone to bring their own dishes, silver, rolls and a tureen. The Auxiliary will furnish dessert, coffee, cream and sugar.

FOOD RETAILERS ENJOY MEETING

A very enthusiastic meeting of the Warren Retail Food Merchants Association was held last evening in the sales room of the Warren Baking Company, with a large attendance of merchants.

The Wednesday afternoon closing was discussed and all the merchants expressed gratitude to the people of Warren for their cooperation in making possible the half holiday each week. Practically every food store, including chain stores, now closes on Wednesday afternoon.

A very fine luncheon was served following the meeting through the courtesy of Neils Anderson, of the bakery.

The next meeting of the group will be held on the second Monday in July.

Training Period For Guardsmen at Gap Reduced From 44 to 40 Hours Per Week

BY DONALD ST. JOHN

Indianapolis, Gap, June 17—(P)—Pennsylvania's federalized guardsmen in training here are getting a new deal in the form of a 40-hour instead of 44-hour week.

Under a new plan in effect during the second 13-week training period just begun, soldiers get Wednesday as well as Saturday afternoon off.

It's partly due to the season and to the more flexible training schedule upon which the soldiers are embarking but it's also for the sake of morale.

From some of the men, for instance, had come the grumble: "Gee, the regulars get Wednesday afternoon off, but we have to work."

Getting the same hours as the 500-odd regular enlisted men on this 15,000-acre post is just another indication that the guards-

men are reaching man's estate.

"They needed every hour we could give them right after induction," one officer said, "but now they've gotten the school of the soldier down pretty well and have passed the student stage."

Division officers had a chance today to see just how much of the 13-week basic course the men had absorbed.

In the second session of a two-day training inspection, all elements of the division were put through a series of tests before Major General Edward Martin, post commander, and a team of staff officers.

Tests put on today ranged from close and extended order drill through wire servicing, coding, decoding, defense against chemical attack, mounted messenger service, military courtesy and radio procedure to interior guard duty and tent pitching.

"Youth and Jobs" Important Item in Daily Work of Local State Employment Service

"Youth and Jobs" are among the most important items in the daily work of the Warren office of the Pennsylvania State Employment Service, according to David W. Levine, local employment manager, who said:

"Unquestionably, the unhappy people in America today are the idle people; this is particularly true of young people. To youth, work is regarded as an essential part of happiness, not merely as a means to an end. With high schools and colleges turning out young people at the rate of 1,750,000 a year, it presents a big problem."

"Lacking practical experience," Mr. Levine asserted, "young people find it difficult to secure a job. They flood the labor market—un-guided and unskilled. Many have never contacted the state employment service, and thousands have only the vaguest idea of what they want to do, the kind of work for which they are best fitted, and the type of work available."

Youth is yearning to follow the example of the engineer who must deal with materials and the laws

of nature as they exist if he is to make a workable machine or construct a bridge that will stand or a house that will not fall," Mr. Levine said.

"Fully realizing the gap between classes and jobs as a hazardous one, the Pennsylvania State employment office works closely with nearby high schools and colleges and has made arrangements for the registration of all graduates between the ages of 16 and 24 who are seeking employment."

Trained interviewers, knowing these young people have character, desires, temperaments, and attitudes shaped by an academic environment, are well able to put their finger on the particular person's outstanding ability, his aptitude and adaptability to suit certain crafts or trades. With the national defense program well under way there is a demand for apprentices in the aircraft, shipbuilding, automotive, electrical, chemical and ammunition trades, and the state employment office is empowered to select and advise prospective candidates of the right procedure," states Mr. Levine.

PERSONALS

Miss Jean Peterson, Allegheny College student, has returned to the institution to attend the summer session.
